13. If either of the parties to a reference desires to include, or have included, in the Paper Book any document or documents, other than those included among the annexures to the Statement of the Case and those specified under heads (i) to (iv) of the preceding rule, he shall make an application to the Court in that behalf within one week of the sending of a copy of the Index to the Respondent or of the receipt thereof by the Respondent where he is the applicant, with notice thereof to the other party, and such document or documents shall or shall not be printed according as the Court may direct and where a document is directed to be included on an application by the Respondent, the initial cost of such inclusion shall be in the discretion of the Court.

14. If a document or documents required to be included in the Paper Book be such that the same cannot be conveniently included therein, but a sufficient number thereof are available in print, such document or documents need not be printed and included, provided the necessary number can be and are supplied for the use of the Court and also for the use of the Board. A Note to the above effect shall be included in the index of the Paper Book.

15. The party at whose instance a reference has been made shall, after filing the Paper Books and printed copies of the further documents, if any, required to be filed under rule 6 hereof, forthwith give notice thereof to the Respondent and shall, along with such notice, serve him with four copies of the Paper Book, free of cost and, also with four printed copies of the document or documents, if any, not included in the Paper Book by virtue of the provisions of rule 14, free of cost. If the Respondent requires further copies of the Paper Book, he shall be entitled to have them only on payment of proportionate charges of preparing the Paper Books and only if further copies are available.

16. The costs of preparation of the Paper Books shall be costs in the reference.

17. Upon the Paper Books being filed, the Registrar shall lay the matter before the Chief Justice for appointment of a Bench as provided by section 65 of the said Act to hear the reference and for fixing a day for the hearing.

18. Notice of the day fixed for the hearing shall be given by the Registrar to the Board or to the Advocate or Attorney acting for it, as the case may be. The Registrar shall cause such notice to be served on all parties to the reference.

Such application shall be accompanied by true copies of the order of the Controller, the order of the Board under sub-section (3) of section 63, the application made under sub-section (1) of section 64 and the order of the Board made thereon. The Registrar shall give to the applicant or to the Advocate or Attorney acting for him, as the case may be, notice of the date so fixed and the Bench before which the same shall be made.

20. Whenever a rule is issued by the High Court on an application under sub-section (2) of section 64 of the Act, the rule, together with a copy of the petition or affidavits in respect of such application, shall be served upon the Board. The Board shall be at liberty to show cause by means of a letter addressed to the Registrar, Original Side.

21. Whenever such a rule is made absolute, the party at whose instance the rule was issued, shall have the order drawn up and file the same in accordance with the Rules of the Original Side and shall thereafter serve a copy of the order on the Board and shall file in Court an Affidavit in proof of such service within a period not exceeding twenty-one days from the date of the filing of the order.

22. Advocates not entitled to practise on the Original Side and Attorneys shall be entitled to appear and act in all matters governed by these rules.

23. Costs in all Estate Duty matters shall be within the discretion of the Court and shall be paid by such party as the Court may order. Unless otherwise ordered, they will be taxed according to the scale on the Original Side. Costs of and incidental to a reference will be taxed in the same manner as of hearing of an appeal from a decree of the Original Side. Costs of and incidental to an application for a rule shall ordinarily be taxed as of a Motion on the Original Side, and when such application has resulted in a Reference being directed, the costs of the application shall be included in the costs of such references. Advocates who appear and plead, whether instructed by another Advocate or an Attorney, shall be allowed the same fees as are allowed to Counsel under rules 32 and 33 of Chapter XXXVI of the Rules of the Original Side (including fees to second and third Advocates, if so allowed by the Court). If such costs are ordered to be paid by the Board to the party accountable on a reference made under sub-section (1) or sub-section (2) of section 64 of the Act, the fees of rupees one hundred paid by the party accountable under sub-section (1) of section 64 shall be added to the costs ordered to be paid by the Board.

The costs of an Advocate or Attorney appearing and acting, or of an Advocate both pleading and acting shall be taxed as far as possible according to the scale on the Original Side. In cases where no detailed bill is filed, or in which the Taxing Officer finds such scale difficult to apply, he may allow such a lump sum in lieu of taxed costs as may appear to him to be fair and reasonable.

An Advocate, both pleading and acting, shall be entitled to fees for appearing as such Advocate only and not, in addition, to any fees that would have been payable to him for acting and instructing another Advocate

The case developed in the Union written statement is that an agreement was reached between the Union and the management on 28th September 1954 under the terms of which the workers were entitled to receive certain reliefs including annual increment of pay. The management sat tight over the agreement and did not, in spite of sharp reminders, think fit to implement some of the terms. To add insult to injury, the authorities drew up a charge-sheet, on entirely false allegations, against the worker Nurul Haque who was one of the big shots of the Union. Nurul Haque refuted the charge but he was dismissed without any enquiry. This was the thin end

of the wedge as after-events clearly proved that the management cherished the design of knocking the Union out of existence. As many as twenty-six workers were charge-sheeted all on a sudden and all of them were dismissed on concocted grounds. The factory was kept closed for the period extending from 26th July 1955 to 31st October 1955 on declaration of a lock-out in violation of a Government order issued under section 10(3) of the Industrial Disputes Act. The Union claims reinstatement of all the dismissed workers with full wages and due wages for the entire period of lock-out. Bonus for 1955 and annual increment are the other reliefs pressed for.

The Company in its written statement justified its action on the plea that Nurul Haque was absent from duty without leave on the 4th, 5th and 6th of May 1955, and on these days he was found picketing at the gate of the Bone Mill in the same premises helping the disgruntled workers of the Mill to create a deadlock. He was served with a charge-sheet in reply to which he had raised the false plea that he had not taken part in any picketing. On the other hand, he was ill and had to absent himself from the factory on that account. The explanation was transparently false. The offence was considered sufficiently grave warranting dismissal. With regard to the 26 persons the Company's case is that they had indulged in stay-in-strike on different dates and on the 26th of July, these people and some others had perpetrated acts of violence and caused damage to plants, machineries and electric fittings in the factory. Lawlessness had reached such a pitch that for the safety of life and property the management was constrained to declare a lock-out. The lock-out could not be lifted earlier than the 1st of November as extensive damage had resulted which could not be made good before the said date. The persons charge-sheeted were guilty of serious misconduct and fully deserved the punishment of dismissal. As the lock-out was the inevitable consequence of the violence of the workers no wages could be claimed for that period. The claim for bonus was resisted as it was not a condition of service and loss having been occasioned by the conduct of the workers they cannot expect to be patted on the back and rewarded. With regard to increment, the Company stated that decision has already been taken to allow increment with retrospective effect from November 1955.

DECISION

Point No. 2. Certain facts are not in dispute. The Cycle Factory with which we are concerned was started in 1950. The Company has a bigger factory in Tiljala known as Factory No. 1. Factory No. 2 stands on land forming part of the premises of the Bone Mill. Some of the Directors of the Bone Mill are also Directors of the factory. Shareholders are not the same. All the employees of the factory and most of the Bone Mill employees are members of the same Union. It is an admitted fact that the Bone Mill was having labour troubles of utmost gravity. Majority of the workers went on strike but a splinter group stuck to their duties. There was lock-out commencing from the 7th of April 1955, which was lifted on the 2nd of May. Some of the workers remained loyal and continued to report for duty while the others maintained hostile operations. The Company's case is that Nurul Haque constituted himself a champion of the strikers and took a prominent part in causing a dead-lock by means of picketing at the gate on the 4th, 5th and 6th of May, absenting himself from duty without obtaining leave for this absence. He was served with a charge-sheet to which Ext. 1 is the reply. Nurul Haque stated that he was absent from duty on account of illness. To go the doctor he had to pass by the factory gate and might have been wrongly reported as having joined the Bone

Mill workers who were agitating for redress of their grievances. Medical certificate was said to be attached to the explanation but in fact no such certificate was furnished then. Exhibit 1(a) is the next document which shows that a medical certificate was submitted later when his attention was drawn that no certificate accompanied the explanation. The point arises for decision if Nurul Haque was really ill or had cast his lot with the Bone Mill strikers deliberately absenting himself from his duty. It may be recalled that all the employees of the factory were members of the Union which claimed most of the Bone Mill workers as its constituents. The factory workers were not disinterested spectators of the struggle between the Bone Mill workers and their employers. On the 20th of May a large body of the factory workers submitted a petition, Ext. A, to the Managing Director of the Cycle Manufacturing Company in respect of some of their grievances and in that petition they wanted "immediate settlement of the Bone Mill dispute by taking back in work all the workers of the factory". This demand is a sure index that the factory workers considered themselves competent to call upon the Managing Director of the Cycle Factory to reinstate all the Bone Mill workers. The tone of this particular demand is dictatorial. It would not be a wrong inference, in view of this attitude, that the factory workers treated the cause of the Bone Mill workers as their own. In such an atmosphere factory workers might get themselves mixed in the conflict as allies of the group continuing to exert pressure upon the management by prolonging the strike. Three witnesses O.P.W. 4 Balai Biswas, O.P.W., Nani Mohan Misra and O.P.W. 6 Dhananjoy Chanda gave evidence that Nurul Haque was seen by them picketing at the Bone Mill gate on the 4th, 5th and 6th May. He had not the look of a sick man. None of the witnesses were cross-examined on the evidence given so far as it affected Nurul Haque. The testimony of these witnesses therefore remains unchallenged. There is no reason why the evidence concerning Nurul Haque should not be accepted.

The Union pleaded in the written statement that Nurul Haque being a leading spirit of the Union the Company fabricated this false charge-sheet against him. In giving his evidence before the Tribunal Nurul Haque did not live up to the reputation with which the Union tried to crown him. It appeared during his examination that he did not know the name of the Union of which he is alleged to be a tower of strength. The Tribunal is convinced that the Union contention that Nurul Haque was victimised because of his high standing as a leader carries no weight.

The learned spokesman for the workers argued with a good deal of force that the management dismissed Nurul Haque without holding an enquiry. The worker was given no opportunity to make his defence. There was thus flagrant violation of the principles of natural justice. It is true the management had blundered in not holding an enquiry. The duty is therefore cast upon the Tribunal to investigate the facts and discover the truth. Evidence led before the Tribunal is considered adequate for the finding that the charge was well founded. A point might be taken that by picketing at the gate of the Bone Mill this worker did not commit any offence against his own employer. In my view that would not be the correct angle of vision. In the first place Nurul Haque had no legitimate ground for absence from duty. Secondly, he had falsely pleaded illness. Thirdly, he had actively engaged in fomenting strife in the adjoining premises which might have and actually had serious repercussions on the Cycle Factory. The troubles had spread shortly afterwards to the factory. Dismissal of Nurul Haque under these circumstances cannot be held unjustified. He cannot accordingly claim any relief against the action taken.

Issue No. 1

On the 26th of July 1955, twenty-six workers of the factory were served with charge-sheets on the grounds that they had instigated other workers to go on strike for part of the day on the 23rd of May and 23rd of June and full-scale strike from 14th July and also that they had prevented the supervisors from entering the factory on the 19th July and on the 26th of the same month they had indulged in rowdyism inside the factory causing damage to factory property. The charges were denied in the explanation Ext. B. They were nevertheless dismissed without any investigation. The Union point of view is that the action taken was *mala fide*.

Evidence has been called by the Company in support of its case that these workers had observed stay-in-strike for a part of the working period on the 23rd of May and June and from the 14th of July full-scale stay-in-strike was launched. Denial of these allegations by the workers was supplemented by the counter-allegation that the management had designedly restricted the supply of materials with the result that the workers did not get sufficient work to keep them fully engaged. The workers had in fact submitted the petition Ext. 3 to the Director of the factory on the 1st of July, complaining that production was being hampered due to short supply of materials. The attendance register Ext. C, Time cards Exts. E and E(1), show that on the 23rd of May and June most of the men had suspended their work for part of the day. The wage register Ext. D bears testimony that proportionate cut in wages had been made. P.W. 2 Nishit Mondal admitted that on the plea that stay-in-strike had been staged cut in wages had been made on more than one occasion. The witness further admitted that no deduction from the wages was made except on this plea. In the petition Ext. 3 no grievance was made about pay-cut. If on account of short supply of materials the workers could not remain engaged for the full working period and the Company imposed any cut in the wages for short-term engagement the workers would not submit to the unjust deduction. They would have kicked up a row and pressed unceasingly for restoration of the cut, since the workers could not be held responsible. Since pay-cut was admittedly made and the workers did not protest either at the time wage cut was made or in the petition Ext. 3, the inference can reasonably be made that proportionate deduction was made on account of the employees downing their tools and wasting part of the duty hours in idleness.

The time cards and the attendance register provide evidence that from the 14th of July the workers observed complete *hartal*. They came inside the factory but did not work for a single moment. I find no reason to disbelieve the time cards and the attendance register. Entries in the time cards are made in the presence of the workers on the basis of statements made by them regarding the work done in course of the day (*see* evidence of O.P.W. 5 Nani Gopal Misra). Though the fact has been proved that partial strike was gone through on the 23rd of May and June the management having already taken action by deduction from wages cannot revive the cause of action for inflicting punishment for a second time. There is however the further charge that supervisors were warned off the workshop and on the 20th of July, they were prevented by actual physical force from getting into the factory. O.P.W. 4 Balai Biswas gave evidence that he was obstructed by Badal Dey when he wanted to go in. O.P.W. 5 Nani Misra stated that he was threatened that being an old man he should beat a retreat as otherwise he would get into a scrape. On the evidence of these witnesses the conclusion can safely be drawn that the charge of obstruction of the supervisors is quite true.

We may now turn to the charge of rowdyism inside the factory on the 25th of July and damage done to the Company's properties. According to P.W. 3 Nirapada Brahma, no untoward incident had occurred on the 25th and work went on smoothly in the factory. As against this reference may first be made to the statement of P.W. 5 Nanigopal Karmakar that on the 25th July, time cards were not written. The supervisor Balai Babu had told him that because of *jhanjhat* time cards could not be written. They would be written the next day. That there was trouble on account of which time cards were left unwritten is thus admitted. The Company's version of the day's happenings is that in the morning a Bone Mill worker coming to report for duty was halted and seized. He was rescued by the Police picket on duty there and taken inside the Mill. This served as the spark to cause a conflagration. Disturbances assumed such a dangerous form that the police-station had to be rung up. O.P.W. 3 Upananda Saha deposed before the Tribunal that after the molested worker was brought inside the Mill the strikers and some workers of the Cycle Factory took up position in front of the Mill gate and began to throw brickbats at the Mill. O.P.W. 1 Prodyot Kumar Mookerjee, S.-I. of Police, had hastened to the spot on receiving information of *golmal*. He had found an excited crowd and brickbats lying scattered. After making some arrests he was on his way back when information reached him that the scene of disturbances had shifted to the Cycle Factory He came back and found a number of people congregated between the Cycle Factory and the Bone Mill. They were shouting. Cycle parts and machinery parts were lying scattered on the *rastha* and a few inside the Bone Mill. Police constable Jagannath Dobey was hit by a cycle part thrown from inside the factory. Entering the factory the officer had found racks for storage of cycles broken, things lying in a state of utter confusion and the latticed fencing over the tin partition in between the factory and the Mill wrenched off in places. Even if the evidence of the Company's supervisors and electrician is left out of account, the evidence given by the police officer makes it perfectly clear that the Cycle Factory workers had gone in and then turned the factory into an operational base and cycle parts and other materials were used by them as powder and shot in their attack on the Bone Mill workers who did not join the strike. Since cycle parts were found lying in the Bone Mill there is no doubt that these were made use of as weapons in the raid on the Mill.

Above the tin partition there was a grating of flat iron rods. Evidence has been led that the grating was partly smashed and through the opening thus made cycle hubs and other parts were thrown at the Bone Mill workers. The witnesses for the Company were put through searching cross-examination on this point. Discrepancies regarding the size of the opening made and its exact location do not discredit the story that cycle parts had been used as missiles to attack the Bone Mill workers. As already pointed out the evidence of the police officer P. Mukherjee sets all controversy at rest. The grating was in fact forced open and cycle parts were thrown.

O.P.W. 3 Upananda Saha described the incident. He was the person who had rung up the police. According to him the Cycle Factory workers had come in shouting slogans and then they had smashed the structure above the partition to find an opening to reach the men working in the Bone Mill. The racks alongside the partition served as so many ladders. The S.-I. had on his first visit noticed factory workers peeping through the apertures in the grating. They had no difficulty in climbing up to peep through the openings. The other witnesses examined on behalf of the Company corroborated the narrative. It has been proved beyond all doubt that on the 25th July the factory workers had created serious

disturbance inside the factory and had wantonly damaged and destroyed properties of the Company. Electric bulbs were smashed, nuts and bolts were removed from machines and according to O.P.W. 4 Balai Biswas 2,000 cycle hubs were thrown away.

We may next consider whether the men have been correctly identified. One of the charges against all these 26 workers is that on the 19th July they had prevented the supervisors from entering the factory. The Union case is that Nirapada did not attend the factory from the 16th to the 24th of July. The attendance register Ext. C supports this plea. Not having gone to the factory on the 19th he could not have taken part in causing obstruction to the supervisors or held out threats to them. This charge must hence fail so far as Nirapada is concerned. From the evidence of Balai Biswas it appears that Badal Dey had obstructed him. There is no other evidence directly implicating the other 24 persons in the matter of preventing the supervisors from having access to the factory.

Regarding the charge of violence and lawlessness on the 25th which is by far the most serious of the charges, the spokesman of the workers ridiculed the evidence of the Company's witnesses that they had noticed and recognised the culprits through the opening in the grating which topped the partition. I may refer once more to the statement of S.-I. Mukherji that on his first visit he had found some factory workers peeping through the apertures. The cycle racks standing alongside the partition facilitated climbing. On behalf of the workers the argument was advanced that the men did not certainly stand in a row as if presenting themselves for an identification parade. That is true but during the disturbances the men were busy reaching the opening to hurl cycle parts. Others might have posted themselves away from the main opening to see what was happening on the other side. Curiosity in moments of tense excitement rises superior to caution. Just as curiosity moved some of them to peep when the S.I. had come the men taking part in the raid might naturally yield to the impulse to have a look. They could be seen even through the other openings as the bars were set at some remove from one another. I cannot in these circumstances uphold the contention of the Union representative that standing by the side of the main gate the witnesses could not observe the men taking part in the riotous proceedings. P.W. 2 Nishit, P.W. 4 Narayan stated in their evidence that they did not come to the factory on the 25th July. P.W. 5 Nani Gopal deposed that Swapan Mondal was absent on that day. As no entries were made in the attendance register and time cards on that day we obtain no assistance from that quarter. O.P.W. 4 Balai named Partha Sen, Reajuddin, Harun Ahammed, Abdul Rashid, Dhiren Bachhar, Bechu Miah, Biswanath Saha, Kalipada Mondal, Brindaban Das, Nishit Mondal, Nirapada Brahma, Nani Karmakar, Biswapati Das, Sachin Das, Prantosh Dey, Badal Dey and Dulal Banik as noticed by him. O.P.W. 5 Nani Misra named Madhab Roy, Brindaban Das, Partha Sen, Ratan Sen, Harun Ahammed, Reajuddin, Kalipada Mondal, Nirmal Das. He could not recall the names of others but pointed out Nani Karmakar, Dulal Banik and Narayan as noticed by him in the act of throwing brickbats, etc., at the Bone Mill. O.P.W. 6 named Ajit Bose, Monoranjan Das, Haridas Roy, Dilip Roy, Harikishen, Gopal Das, Balai Das, Abdul Rahaman, Nishit Mondal, Biswapati Das, Narayan Mallik, Bechu Mian and Rashid. Swanan Mondal, absent on that day according to P.W. 5, was not named or identified by any one. Dilip Ghosh was not named by any of the witnesses. Dismissal of Swapan Mondal and Dilip Ghosh cannot therefore be supported. Nishit and Narayan also pleaded alibi. Nishit was named by O.P.W. 4 Balai Biswas and O.P.W. 6 Dhananjoy. Narayan was named by Dhananjoy and identified by Nani Misra. If these witnesses are believed the plea of

alibi is exploded. The Union could offer no explanation why perjured evidence should be given by the witnesses against Nishit, Narayan and others who have been implicated by them. No suggestion was made that these people were the life and soul of the Union. They are not said to have given any provocation to the supervisors or to the Directors. Since no ground for special attention has been put forward the normal inference is that the persons named or identified were really involved.

No enquiry was held by the management after explanation was submitted. The principles of natural justice were therefore said to have been disregarded. The defect can have no decisive effect, inasmuch as the persons charged got the opportunity to defend themselves before the Tribunal. As on the evidence adduced here their participation in the acts of violence and rowdyism has been substantiated. Failure of the management to hold an enquiry is neither here nor there. In the result I hold that for riotous behaviour and destruction of and damage to factory properties all the men named in the list save and except Swapan Mondal and Dilip Ghosh were liable to dismissal. The action of the management in terminating their services was perfectly correct. Swapan Mondal and Dilip Ghosh must be reinstated within 15 days of publication of this award in the Official Gazette. They must also be paid full wages from the 1st of November 1955 within the aforesaid period of 15 days. The others are not entitled to any relief.

Issue No. 4

The lock-out declared with effect from the 26th July was inevitable in view of the happenings on the 25th. There was no other alternative. It was however urged that on the same day that this reference was made, Government issued an order under section 19(3) of the Industrial Disputes Act prohibiting continuance of any strike or lock-out. This order was not forthwith complied with as the lock-out was actually lifted on the 1st of November. The reason stated on behalf of the Company is that plants and machineries were damaged and electric installation was thrown out of gear. It took a good deal of time to repair the damage and replace breakages. Government was informed by the letter Ext. 2. The workers were not entitled to wages for the lock-out period so long as the prohibitory order was not issued by Government, as they had by their own disorderly conduct forced the management to close the workshop. We have to consider how far the prohibitory order affected or altered the situation. Order under section 10(3) having been passed continuance of the lock-out thereafter was illegal. For this illegality the Company is liable to suffer penal consequences. The position of the workers is not however improved. They cannot reap any advantage out of their own wrongful conduct. There is also evidence that considerable time was required to put the workshop into shape again. No wages for the intervening period can equitably be claimed. My finding therefore is that the workers are not entitled to wages and dearness allowance for any part of the lock-out period.

Issue No. 3

Annual increment of pay has been claimed by the Union at the rate of Rs. 2. The Company has given effect to the term in the agreement Ext. 4 for increment at the rate of Rs. 4 and has decided to allow annual increment with effect from the 1st of November 1956. It was submitted that the rate of increment should not be the same for skilled, semi-skilled and unskilled workers. This is a sensible view. Increment at the same rate for all categories of workmen will not only be unfair but may also foster discontent. It is hence awarded that the rate of annual increment will be Rs. 2 for skilled workers, Re. 1-8 for semi-skilled and Re. 1 for unskilled workers.

Since production had remained suspended up to October 1955, I deem it proper to uphold the decision of the Company to give effect to the increment plan from 1st November 1955.

Issue No. 5

The workers' spokesman told the Tribunal that bonus was claimed as due by way of a condition of service. According to P.W. 2 bonus was paid in 1952, 1953 and 1954. Factory No 2 started working in 1950. No bonus was paid in 1950 or 1951. If it were a condition of service the workers would have received bonus in those two years also. Payment at different rates in three years cannot warrant an inference of implied contract.

An additional ground for turning down the demand is that the workers had caused loss to the Company by damaging the plants, machinery and wasting materials on the 26th of July. The management was forced to resort to lock-out and that also contributed to enhance the loss. Having thus brought about considerable loss and injured the interests of the employer the employees cannot sustain any claim for bonus. This claim accordingly fails.

This is my award.

For the Company: Shri S. C. Sen, Advocate, and Shri H. N. Roy, Labour Officer.

AWARD

1. By order No. 85Dis./D/10L-108(E)/54, dated the 8th January 1955, the Government of West Bengal, in the Labour Department, referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Burn & Co., Ltd., Howrah Iron Works, Howrah, and their workmen represented by (i) Burn Mazdoor Union, 3 Nityadhan Mukherjee Road, Howrah, (ii) Burn's Labour Union, 63 G. T. Road, Howrah, and (iii) Burn's Employees' Union, 8 Nityadhan Mukherjee Road, Howrah, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual summons the parties entered appearance and filed their written statements. The pleadings were completed on 12th April 1955. Thereafter the parties were directed to file lists of documents. Then the Burn's Employees' Union applied for inspection of documents, which was opposed by the Company. The prayer was, however, allowed. Thereupon the Company moved the Hon'ble High Court against the said order, as a result further proceedings were stayed by the Hon'ble Court. Subsequently the rule was made absolute and the matter was sent back to the Tribunal for going into it in accordance with the directions contained in the judgment. After the record was received back from the Hon'ble Court, the parties were afforded opportunities in accordance with the judgment to proceed in the matter. Then after adjournments at the instance of either of the parties, the dispute was eventually heard on 5th December 1956, and award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:

Bonus for the year ended 30th April 1953.

Decision

Messrs. Burn & Co., Ltd., owns 10 factories and workshops, of which Howrah Iron Works at 20 Nityadhan Mukherji Road, Howrah, is the biggest unit. It employed about 6,000 workmen, of whom about 1,000 were monthly paid employees comprising clerks, sub-staff as also hourly-rated sarkars and

checkers and the rest were manual workers who were on hourly rates of wages. There are three Unions in this concern. Burn Mazdoor Union (hereafter called Mazdoor Union) and Burn's Labour Union (hereafter called Labour Union) catered for hourly-rated manual workers, save and except checkers and sarkars; while Burn's Employees' Union (hereafter called Employees' Union) catered for monthly paid employees, such as clerks and sub-staff as also for sarkars and checkers. These three Unions representing the different workmen of the concern as aforesaid raised the present dispute for increase of the quantum of bonus for the year ended 30th April 1953. Previous to the present dispute the Mazdoor Union as also the Labour Union claimed bonus for 1951-52. The said dispute was referred to the Industrial Tribunal constituted by Shri M. C. Banerji, for adjudication. The hourly-rated workers were awarded 5 weeks' basic wages by his award, dated 5th September 1953, published in *Calcutta Gazette*, dated 8th October 1953. Employees' Union, on the other hand, raised several disputes, of which one was bonus These disputes were also referred to the Industrial Tribunal constituted by Shri M. C. Banerji for adjudication. By his award, dated 24th June 1953, published in *Calcutta Gazette Extraordinary*, dated 24th July 1953, he awarded to the monthly paid workmen comprising the clerks and sub-staff as also checkers and sarkars, one month's basic pay as bonus for the said year 1951-52.

On the basis of the aforesaid awards the manual workers were paid 5 weeks' basic wages, while the clerks, the sub-staff, the sarkars and the checkers were paid one month's basic wages as bonus for the year ended 30th April 1953. All the three Unions claimed 3 months' basic wages as bonus for the year ended 30th April 1953 in addition to what had been paid to the workmen. They maintained in short that after giving due allowance for prior charges, there would be sufficient available surplus for grant of such bonus to the workmen. The Company, on the other hand, contended that on the principle laid down in the Full Bench decision in the case of Bombay Mill Owners' Association, there would be no available surplus to justify payment of any bonus but notwithstanding the Company paid the bonus in accordance with the principles laid down in the awards as already referred to. The Company accordingly submitted that the claim for 3 months' bonus should be dismissed. As the claim for bonus is laid out of the trading results of the year ended 30th April 1953, this can be sustained only if there is sufficient available surplus after deduction of prior charges as held by the Full Bench in the Mill Owners' case. On the evidence on record I may straightaway note that claim for such bonus in addition to what had been paid, cannot be sustained on the trading results of the year ended 30th April 1953. Messrs. Burn & Company, Ltd., has a single consolidated balance-sheet and profit and loss account for all its 10 units of workshop and businesses; the Company is charged income tax as a whole and the value of all its assets and liabilities is in one consolidated balance-sheet The trading results of the year are to be found in that consolidated account. In the circumstances, the claim of bonus for the workmen represented by the three Unions has to be decided on the basis of the available surplus of the entire Company of Messrs. Burn & Company, Ltd., consisting of 10 units and not of the Howrah Iron Works alone. The contention by the Unions to the contrary cannot be upheld. On appeal in the case of Burn & Company, Ltd. (Civil Appeal No. 325 of 1955 and Civil Appeal No. 174 of 1956), the Hon'ble Supreme Court held that bonus is payable only if there is sufficient surplus to make payment *to all the workers of the Company in all its units*. It has been held "the entire profits of the Company are the results of the labour of all the workmen and employees in all its units. To grant a bonus to a section of them, on the basis of the total profits of the Company, will be

to give them the share in profits to which they have not contributed". So in view of the decision of the Hon'ble Supreme Court the matter is concluded.

Exhibits A and A1 are the balance-sheets of the Company for the years ended 30th April 1952 and 1953, respectively. Exhibit A shows a net profit of 8 lakhs 12 thousand and odd for the year ended 30th April 1952; while Ext. A1 shows a net profit of 8 lakhs 2 thousand and odd for the year ended 30th April 1953. Exhibit A1 shows that aforesaid net profit was arrived at after providing for taxation, depreciation and other expenses and after setting aside Rs. 5 lakhs for Work's Reconstruction Scheme, Rs. 3 lakhs 50 thousand for Work's Rehabilitation Programme and Rs. 3 lakhs 75 thousand for debenture redemption account. The balance-sheet reveals paid up capital to be Rs. 70 lakhs and reserve to be Rs. 1,06,90,000.

On the profit for the year ended 30th April 1952 Shri Banerji had awarded bonus equivalent to what was subsequently paid by the Company for the year under adjudication. The profit for the year under adjudication, it has already been noted, is lesser than the previous year and *prima facie* no further bonus would, therefore, be admissible. Be that as it may, the parties are agreed as to the amount of the gross profit for the year under adjudication which is 43.58 lakhs. The Company submitted that after deduction of prior charges, there would be no available surplus but a deficit of Rs. 12.20 lakhs.

Regarding the prior charges, let me first deal with those items about which there is very little scope for controversy. In this respect the first item is taxation at 7 annas in the rupee. The Company claimed 14.56 lakhs on this head. I find nothing to disallow it. Next item is the return on paid up capital which includes bonus share. Company has claimed deduction for a return at 4.20 lakhs at the rate of 6 per cent. on the paid up capital including the bonus shares. I think no exception can be taken to it either. Union's contention that return on bonus shares should be lesser than the paid up capital cannot be upheld as the capitalisation took place long ago and as no satisfactory reason has been shown why the bonus shares should be distinguished from the fully paid up shares. Besides, it has been held by the Hon'ble Labour Appellate Tribunal in previous cases that no distinction should be drawn between bonus shares and paid up capital in the matter of return. I so allow the amount claimed on this head. Then as to return for reserve employed, the Company has claimed a sum of 4.28 lakhs at the rate of 4 per cent. on the reserve of 106.90 lakhs. Unions contended that such return was not admissible as no evidence was given to show that the said reserve was employed as the working capital. The balance-sheet of the Company has been drawn up according to the provisions of the Companies Act. In the absence of the evidence on the side of the workmen, the balance-sheet has to be accepted as correct. The audited balance-sheet reveals that the entire reserve of 106.90 lakhs was employed as working capital during the year under adjudication. In the circumstances the claim for a return of 4.28 lakhs on the said reserve is justified. Then regarding depreciation during the year, the Company has claimed a corresponding sum of 10.30 lakhs as taken in the calculation of the gross profits for the purpose of deduction. The Union contended that only deduction of statutory depreciation was permissible. Company, of course, has not produced during hearing papers to show what amount was allowed as depreciation by the Income Tax Authorities for the year under adjudication, but then profit and loss account reveals the identical amount against depreciation for the year under adjudication. There is nothing to show that the said amount includes additional and initial depreciation. A statement has since been filed to show that a sum

of Rs. 18,14,726 was allowed as depreciation for the year ended 30th April 1953 by Income Tax Authorities. In the circumstances, no serious exception can be taken to deduction of the sum 10.30 lakhs as deducted from the gross profit for the purpose of calculation of available surplus. These prior charges would amount to 33.34 lakhs. Deducting the amount the balance would come to 10.24 lakhs (43.58 – 33.34 lakhs), without making allowance for rehabilitation, replacement and modernisation of machinery. The Committee on Profit Sharing suggested that the amount must not exceed 50 per cent. of the surplus. The evidence shows that even bonus of one month's basic wages to be paid to the workmen of all the units would wipe out about 46 per cent. of the same.

Then out of the balance of 10.24 lakhs the Company set apart 8.50 lakhs for Work's Reconstruction Scheme and Rehabilitation Programme and additional sum of Rs. 3.75 lakhs for debenture redemption account. The Union's objection that such reserve should not be allowed cannot be sustained when there is nothing to show that the reserves were kept to defeat claim of the workmen. The reserves, on the contrary, it appears are normal features and were reasonable. Regarding the reserve of Rs. 3.75 lakhs for debenture redemption account, it appears that 75 lakhs were raised on mortgage. The reserve on this head could not, therefore, be regarded as unreasonable. So also is the reserve of 8.50 lakhs for Work's Reconstruction Scheme and Rehabilitation Programme. In the case of Model Mills, Ltd., reported in 1955, Volume I, L.L.J. 534, the Hon'ble Labour Appellate Tribunal held "by the Full Bench decision in 1950 a formula for ascertainment of bonus has been laid down. The formula did not purport to direct what a concern should do or should not do with its own moneys. In producing the formula the rights and liabilities of the parties *inter se* in notional satisfaction of their legitimate claims as two co-operating units in the venture were tried to be equated". It has also been laid down in the previous cases that out of the surplus obtained according to the Full Bench formula, the needs of the employees, the claims of shareholders and requirements of the industry should be considered in ascertaining what portion should be distributed as bonus. These reserves amounting to 12.25 (8.50 + 3.75) which are claimed to be the requirements of the industry, cannot, therefore, be outright ignored. If these are deducted, there would be no balance but a deficit.

Then it appears that total of monthly salary of the clerks, sub-staff, sarkars and checkers and the monthly wages of the workers of all the 10 units would be 4.15 lakhs. It will, therefore, appear that even without making allowance for rehabilitation, replacement and modernisation of machinery, there would be no surplus but a deficit to justify grant of any additional bonus. In the circumstances Union's claim for additional bonus for the year ended 30th April 1953 must, therefore, fail.

It is awarded accordingly.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Hind Construction Ltd., 8 Royal Exchange Place, Calcutta, and their workers represented by Hind Construction Workers' Union, 130 Circular Garden Reach Road, Kidderpore, Calcutta. (Case No. VIII-192 of 1956.)

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI SAILESH SENGUPTA, *Judge, Sixth Industrial Tribunal.*

This reference made by Government order No. 3010Dis./D/10L-95/56, dated Calcutta, the 13th July 1956, is concerned with the retrenchment of 63 workers who were in service under Messrs. Hind Construction Ltd.

The issue formulated in the order of reference is as follows:—

Whether the management were justified in retrenching the 63 workers as per the attached list. What relief are they entitled to?

Written statement was filed by both parties detailing their respective contentions but ultimately they were able to reach agreement. The terms settled by agreement have been presented before the Tribunal to have an award made on the basis thereof. Having considered the terms, the Tribunal is satisfied that they are fair and reasonable and should be given effect to. An award is accordingly made on the basis of the compromise petition which would form part thereof as an annexure.

ANNEXURE

In the matter of a complaint under section 33A filed by Shri Anil Kumar Dey and Shri Sudhir Singh and others, workmen of Messrs. Burn & Co., Ltd., Raniganj. (Case No. 283 under section 33A.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *District Judge, (Retd.),*
Judge, Fourth Industrial Tribunal.

For the complainants: Shri Patit Paban Pathak.

For the Company: Shri S. C. Sen, Advocate of Messrs. Orr, Dignam & Co., Solicitors.

AWARD

The present application under section 33A of the Industrial Disputes Act arises in connection with the Order of Reference No. 1965Dis./D/10L-2(C)/-53, dated 5th April 1954, in connection with the industrial dispute between Messrs. Burn & Co., Ltd., Raniganj, and their employees. The award of the Tribunal on this reference was made on 4th May 1956, and was published in the *Calcutta Gazette* on 24th May 1956.

This is a complaint by Shri Anil Dey and many others, under section 33A of the Industrial Dispute Act, all employees of Messrs. Burn & Co., Ltd. (hereinafter called the Company), who allege that the Company did not grant them the annual increment in 1955, in violation of the terms of agreement, dated 9th June 1950, on the subject, and that without obtaining any express permission of this Tribunal in which admittedly an industrial dispute between the parties was pending at the time.

The Company contested the application contending that the workmen were on illegal strike between 28th April 1954 and 31st December 1954 and therefore did not fulfil the conditions necessary to earn the increment in terms of the agreement.

Points for decision are—

(1) Whether this complaint is maintainable.

(2) Whether the act complained of is justified.

Findings

Points 1 and 2.—The admitted facts are these: the complainants were on strike with effect from 28th April 1954 till 31st December 1954; this strike was found by the Tribunal adjudicating the dispute between the parties to be illegal and that the workmen were not entitled to any wages and other benefits during the strike period. There is an agreement between the parties, dated 9th June 1950 (Ext. 1), which is binding on them. Increments since 1st March 1950, when this agreement came into force, were allowed each year on 1st March. Last increment was allowed on 1st March 1954. No increment was allowed to the workmen on 1st March 1955, and that one was given in lieu thereof on 1st November that year. Both parties stand by this agreement. The workmen's contention before this Tribunal is that in withholding this increment on 1st March 1955, when it fell due the Company had violated the terms of this agreement, which are conditions of service applicable to everybody in the service of this Company and that, without express permission of the Tribunal. The Company's contention on the other hand is that by withholding the increment it did not violate the terms of the agreement but only implemented them and, therefore, no permission of the Tribunal was necessary. Further, that the increment was rightly withheld for by absenting themselves from duty during the entire period of the illegal strike, the workmen forfeited the rights and privileges of the agreement and are not entitled to any relief.

In my opinion, there has been a technical violation of the provisions of section 33 of the Industrial Disputes Act in this case when the increment to which the complainants were otherwise entitled was withheld by the Company (*vide* General Assurance Society Limited, 1952 L.A.C., page 130). This complaint is, therefore, maintainable.

Now the question is whether the increment which, according to the complainants fell due on 1st March 1955, was justly and properly withheld? This takes us to the merits of the case and to the interpretation of the agreement (Ext. 1). The men were on illegal strike for over eight months in the year 1954. Apparently, they did not render any service to the Company and were not on duty during this period. The loss to the industry in production is not negligible. Shri Pathak contends that the right to strike being fundamental and enjoyed by all workers under the Constitution of India, it is only meet and proper that the workers should not be deprived of their annual increment, simply because they were on strike to enforce some of their legitimate demands from the Company. Shri S. C. Sen, on behalf of the Company, stands on the letter of the agreement and contends that before a worker is allowed an increment under this agreement, he must be *entitled* to it, as stated in the agreement itself, and no worker is entitled to the same who has not rendered any service to the industry for one complete year. I would like to dispose of the first point taken up by Shri Pathak with this observation that no right granted under the Constitution is absolute and that fundamental rights are subjected to reasonable restrictions. Further, no one has any right much less a fundamental one,

to commit an illegal act, an act forbidden by law. Illegal strike has been forbidden under the Industrial Disputes Act. It is true that workmen participating in an illegal strike do not by itself lose their job but then they are not certainly entitled to benefits which ordinarily flows from the relationship of employer and employee. And conditions of service generally means that the condition is applicable under normal or legal circumstances and that such conditions cannot be extended to the case of a workman under circumstances which are abnormal or illegal. (Patna Electric Supply Co., Ltd., 1955 L.A.C., page 824.) An increment, as is well-known, is allowed only in consideration of service rendered to an employer and that while on duty. (Harendra Nath Mukherji, 1955 L.A.C., page 804.)

The relevant extract from the agreement, Ext. 1, is as follows:—

"Unskilled adult workers in Grade I will follow Grade II after completion of 12 months' service although they are confirmed in their services earlier. Increment for all persons *entitled* to it would be made once in a year and not as individuals complete their service year. In achieving this, a simple method of approximation shall be followed. * * * Usually increment in each grade would be automatical but from one grade to other would depend on experience of the prospective candidates and probable vacancies in Grades. * * * * The new scheme of Grade and Scale shall take effect from the 1st March 1950."

The words of this agreement appear to be clear in one respect, viz., that an increment shall be paid only once a year. This refers to payment of increment. The increment for all persons "shall be read in the context of what appears prior to that". Also it is equally clear that increment within each grade would be automatic, viz., it will not depend on the discretion of the employer. This seems to be the normal rule, which again is clear from the word "usually", which precedes the other words regarding the payment of increment within the grade. As I have already pointed out above that these conditions of service are applicable under normal conditions and cannot be claimed as a matter of right in abnormal or illegal circumstances. The complainants did not render any service to the Company during this long period of eight months in which they were on an illegal strike. It has been held by another Tribunal in a dispute between the parties for wages, etc., for the period of strike that the workmen being guilty of an illegal act are not entitled to any wages, etc. The workmen were not on duty and accordingly they cannot be said to have earned any increment during this period. To hold otherwise would be to put a premium on unlawful acts, acts which are expressly forbidden by law. There is nothing in the agreement which can be read as supporting the claim of the complainants in this case. They cannot be allowed to take advantage of their own wrong. It is, therefore, held that the Company is entitled to, in the circumstances of the case, withhold the increment as it did in this case and their action in doing so cannot be said to be improper and unjustified. The issue is accordingly answered against the complainants. Their complaint fails and is dismissed. This is my award.

Demdima Tea Estate, P.O. Birpara, Jalpaiguri (Managing Agents: Messrs. Macneil and Barry, Ltd.) and their workmen represented by the General Secretary, West Bengal Chah Sramik Union, Jalpaiguri, regarding the matters specified in the schedule thereto was referred for adjudication to the Sixth Industrial Tribunal;

And whereas the said Sixth Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Demdima Tea Estate, P.O. Birpara, Jalpaiguri (Managing Agents: Messrs. Macneil and Barry, Ltd.) and their workmen represented by General Secretary, West Bengal Chah Sramik Union, Jalpaiguri (Case No. VIII-101 of 1956).

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL, NEW SECRETARIAT BUILDINGS, THIRD FLOOR, CALCUTTA.

PRESENT:

SHRI SAILESH SENGUPTA, *Judge, Sixth Industrial Tribunal.*

Appearances:

For the Company: Shri Niren Dey, Counsel, assisted by Shri S. B. Ghosh, Advocate of Messrs. Orr Dignam and Co., Solicitors.

For the Union: Shri D. L. Sengupta, Advocate.

On this reference made under Government order No. 1805Dis./D/9L-16/56, dated Calcutta, the 2nd May 1956, the Tribunal has to deal with the dismissal of the employee Mongal Bhagat by the Demdima Tea Estate. The points for adjudication are in the following form:—

(1) Whether the dismissal of Shri Mongal Bhagat is justified?

(2) What relief, if any, by way of reinstatement and/or compensation is he entitled to?

The case put into shape in the union written statement is that Mongal Bhagat was the Vice-President of the West Bengal Chah Sramik Union and President of the Demdima Primary Union which was a unit of the Chah Sramik Union. In these dual capacities Mongal Bhagat had to take the lead in movements for advancement of the interests of the workers. He had consequently become a *persona non grata* with the authorities. In order to get rid of the leaders of the union and crush the organisation, the company requisitioned the services of the present Manager Mr. Austin who enjoyed the reputation of being a man of tough fibre. Soon after he got into the saddle, Mongal Bhagat began receiving letters containing unfounded

allegations of disobedience of orders and dishonesty in course of the discharge of his duties as Head Munshi of the garden. The charges were refuted by him in due course. Finally on 16th November 1955 he was served with a charge-sheet on the basis of some false, frivolous and malicious allegations to which he submitted his reply on 19th November 1955. He received notice that an enquiry would be held on 24th November 1955. He appeared on the appointed date but no enquiry was held. He was nevertheless dismissed by order, dated 1st December 1955. The action thus taken was *mala fide* and glaring instance of victimisation for union activities. Reinstatement and back wages are the reliefs claimed.

The Company's case is that Mongal Bhagat held as the Head Munshi, a position of great trust, confidence and responsibility. On several occasions he was found to have betrayed the trust. He was warned time and again, but the warnings produced little effect. It was discovered that a woman was working in the garden with his knowledge personating one Basia who was in fact an employee but had left the garden for good. He had also addressed a meeting within the garden on the 11th of November delivering a speech which was bound to poison the relations between the labourers and the management and to undermine discipline. On the basis of the charge-sheet served an enquiry was held by the Manager Mr. Austin on the 24th November. The charges were held established and order of dismissal was properly passed. After the dismissal Mongal Bhagat and his supporter created an explosive situation and breach of peace was apprehended. Armed police had to be posted in the garden to maintain peace. Reinstatement of this employee who had lost the confidence of the management was out of the question. Another plea was taken in the written statement that Mongal Bhagat was not a workman within the meaning of the Industrial Disputes Act as his duties were supervisory but this point was not pressed at the hearing.

DECISION

Points 1 and 2

One of the points urged on behalf of the dismissed employee was that principles of natural justice were set at naught by the company inasmuch as no enquiry was held. In his evidence before the Tribunal Mongal Bhagat tried his level best to steer clear of the truth. False statements were made glibly giving the Tribunal the impression that he had a flexible conscience and no reliance could safely be placed upon his testimony. At page 5 of the recorded deposition appears his statement that no enquiry was held and no date was even fixed. Probably he recollected then that in paragraph 22 of his written statement he had admitted that 24th November was fixed for enquiry and he had appeared before the Manager on the appointed date. He had therefore to admit that notice was given to him to attend an enquiry on the 24th November. It was put to him that he had come to the enquiry with several witnesses. Names of the witnesses as recorded in the enquiry report, Ext. D, were put to him. He was emphatic that he had come alone and did not recollect if the persons named as witnesses had attended. He had managed to forget that in paragraph 22 of the written statement he had made a grievance that though he had appeared with witnesses none was examined. Now, the company's case is that at the enquiry the Manager had put questions to Mongal Bhagat to which he had replied. The witnesses brought by him were asked if they had anything to say but they declined to make any statement. On the materials obtained the Manager found him guilty of the charges and passed order of dismissal, Ext. 3(a). That there was an enquiry of sorts cannot be denied but the Manager having departed in some vital matters from

sanctioned procedure infirmities have appeared which vitiated the final action. In the charge-sheet, Ext. 2, one of the offences attributed to Mongal Bhagat was that on the 11th of November he had in his speech in a meeting made statements which were bound to "embitter relations between the labour and the management and underming garden discipline". No particulars were supplied as to which statements were found objectionable. In the explanation, Ext. 3, Mongal Bhagat had pointed out this lacuna. It is no doubt true that a departmental enquiry is not conducted with the rigidity of a judicial trial. Hence the charge need not be framed with the precision of charges in a criminal proceeding. The person holding a departmental enquiry is not usually a trained lawyer. The validity of the proceedings are to be tested on broad considerations as to whether the requirements of natural justice have been satisfied. Though the charges need not be drawn up with the precision indispensable in a criminal proceeding they must not be vague or so general as to make them impossible of being traversed. The test is whether the charge conveys to the person concerned the exact nature of the alleged offence in a way that would enable him to meet it. It does not appear that any clarification was communicated to Mongal Bhagat when he pointed out that the charge relating to his speech was vague. The second point is that admittedly no witness was examined on behalf of the company as, according to Mr. Austin, all the happenings were within his own knowledge. I may make a little digression here to point out that the charge that Mongal Bhagat had connived at a female labourer working in the garden personating one Basia who had left the company's service for good, was framed on information gathered from other sources. The Manager had no personal knowledge of the incident. Those who supplied the connecting links were not examined as witnesses. To go back, Mr. Austin, on his own showing imported his own knowledge of the circumstances on which the charges were founded. This was a serious breach of a vital principle of natural justice. I can do no better than lift the observations made by his Lordship Sinha J. of the Calcutta High Court in the case of Ashutosh Das *versus* State of West Bengal, reported in 60 C.W.N., page 106. Referring to his own decision in a number of cases on the question whether an enquiring officer can rely on his own evidence his Lordship went on to say. "In some of these cases, the enquiring officer has actually given evidence but in others he had relied on his own testimony. I have held that this is contrary to the Rules of natural justice because a man who is entrusted with the enquiry cannot both be a judge and a witness. It is, therefore, unnecessary to reiterate the principles laid down in the above cases, viz., that while there was no objection to an official having personal knowledge of the matter being entrusted with the enquiry, he cannot be permitted to import his personal knowledge and treat it as evidence in deciding the matter." That is exactly what Mr. Austin has done and in doing so he has unwittingly transgressed the rules of natural justice. On this ground alone the enquiry held by Mr. Austin must be deemed null and void.

Another short point may also be adverted to. Paragraph (g) of rule 13 of the Standing Orders, Ext. H, enjoins that before passing any order of dismissal or of suspension as a punishment, the Manager, after the conclusion of his enquiry, will allow an opportunity to an official of any registered union to which the employee may belong to make to him any representation regarding the case. No such opportunity was given in the instant case. On behalf of the company the provision referred to above was conceived to be dependent upon a request being made in this behalf by the employee or the union. In the view of the learned Counsel if no request is made the Manager is under no obligation to go through the formality prescribed. This reading was sought to be reinforced with

reference to the sentence next following that if in any case an interview is refused to any particular person, the reasons for refusal shall be recorded in writing and normally an interview will be granted to another official. I have no manner of doubt this construction is misconceived. If the provision contemplated a request being made a condition to that effect would have been subjoined. The concession is in fact categorical devoid of any limitation. Representation may be in writing or personal. The next provision in paragraph (g) refers to personal representation. It has no bearing so far as representation in writing is concerned. Sub-paragraph (v) of paragraph 13 of the Guidance on the Standing Orders annexed to Ext. H makes this perfectly clear. In this instance not having given the opportunity the Manager failed to conform to the direction in the Standing Orders. In the circumstances the Tribunal has to undertake an independent investigation of its own and come to its own finding if dismissal of Mongal Bhagat ought to be upheld.

According to the charge-sheet, Ext. 2, Mongal Bhagat had' full knowledge that a female labourer who was not Basia was working in the garden passing herself off as Basia in contravention of the Manager's orders posted in the garden notice board on the 22nd of July 1955. Secondly, he had made a speech broadcast by a loudspeaker which was bound to create bad blood between the workers and the management. It was also stated in the charge-sheet that on more than one occasion the Manager had to reprimand him for other offences.

Exhibits B and B1 are extracts from the Attendance Roll showing that Basia was on leave from the 25th of April 1955. Mongal Bhagat took leave from the 26th April. He rejoined on the 26th of May. There is no dispute that Basia has not come back. The Attendance Roll however shows that she returned to duty on the 28th May. Evidence has been adduced by the company that a woman had been working under the assumed name of Basia. In the month of November she applied for maternity allowance on account of her pregnancy. She had to appear before the Medical Officer to whom Basia was fully known. The doctor, O.P.W. 3, submitted the report, Ext. C and a further report, Ext. C1, drawing the attention of the Manager that this woman, who was not Basia but was working as such, claimed the period of service standing to the credit of the real Basia to be added to the period of her own service in order to qualify for maternity allowance. According to the company the fact that an imposter was working representing herself as Basia was realised for the first time on receipt of the doctor's report. Learned Advocate for Mongal Bhagat had launched a tirade against the doctor, the Manager Mr. Austin, and Assistant Manager Mr. Graystone as a team of lying witnesses. The doctor's reports, Exts. C and C1 and some other documents produced by the company, were characterized as false documents fabricated for the purpose of this case. I wish the learned Advocate had exercised a little restraint in this respect. In cross-examining Mr. Graystone he put it to the witness that he was not present at the enquiry held by Mr. Austin. But Mongal Bhagat admitted under stress of cross-examination that Mr. Graystone was sitting in his chair in the same room when the Manager was putting questions to him. Having regard to this admission the learned Advocate had no right to make the suggestion that Mr. Graystone was not speaking the truth when he said that he was present at the enquiry. The doctor's evidence and the reports, Exts. C and C1, are above suspicion but suggestions were made that he had perjured himself and had prepared the reports for use in this case. These are unworthy suggestions which do not help the cause he was supporting. I have dwelt upon false statements made by Mongal Bhagat and reference will hereafter be made to other statements

entirely divorced from truth. Against his tainted evidence the company's evidence stands out pure and undefiled.

The doctor knew Basia. The learned Advocate could not belief this in the absence of registers showing that Basia had to come under medical attention. The Tribunal finds no justification for this scepticism. The doctor is in this garden for 27 years. He is the only medical officer there. Naturally he knew most of the workers. He submitted the report, Ext. C, when he found that the woman introducing herself as Basia was not in fact Basia. There is no difficulty in coming to the conclusion that there was false personation and the Company's Manager got scent when the doctor reported. We may now consider Mongal Bhagat's responsibility in this business of false personation. His evidence is that after service of the charge-sheet he came to know for the first time that a woman who was not Basia was working under the assumed name of Basia. He did not see the woman and did not know even at the time he gave evidence who the woman was. Further cross-examined he said that a woman had come with him when he returned from his village home on the expiry of his leave but she was engaged in some other garden. He did not know if the same woman worked in this garden under the name of Basia. Turning now to his reply to the charges, namely, Ext. 3, we find that in the first place he did not deny that Basia had accompanied him when he went home on leave. He admitted in his reply that the woman who was working as *Badli* in place of Basia had come from home with him and was working in this garden from the month of May. The plea of want of knowledge taken in his evidence is thus exploded. He knew that this woman was working as *Badli* in place of Basia. As a mitigating factor he referred to many others working as *Badlis* in the name of absent workers. Lastly, he stated that to check this practice notice was issued "the other day" on the 22nd of July. The notice referred to is Ext. F. In his evidence Mongal Bhagat denied at page 9 of the recorded deposition knowledge of the notice, dated the 22nd July but his statement in reply to the charge-sheet shows that he was well aware of the notice and the steps taken by the Manager to segregate the unauthorised workers. Shri D. L. Sen Gupta arguing the case on behalf of Mongal Bhagat submitted that the Munshi had no hand in the appointment of the bogus Basia and he had no duty to report about her. From Mr. Austin's evidence it is found that he was in charge of a tea-garden in Assam and was on the point of going home on leave. Affairs in the Demdima garden were in a tangled state owing to the extreme inefficiency of the Manager Mr. Forbes. Mr. Austin was asked to take over charge of the Demdima garden proposing home-leave for the time being. Mr. Forbes was removed and Mr. Austin stepped into his shoes. In answer to a question put by me, Mr. Austin stated that when he took over charge he found that the Head Munshi was making appointments of labourers. It was no part of the Head Munshi's duties to make appointments but in fact he was doing so without the Manager's permission. When it was discovered that a woman was working under false pretences passing herself off as Basia she was sent for and told that she could not be allowed to work. She left the office and returned with Mongal Bhagat who pleaded that she might be allowed to continue. The Manager did not yield to his entreaties. There was no cross-examination of the Manager on this point. In this context the letter, Ext. A7, addressed by Mr. Austin to Mongal Bhagat in reply to his letter written in his capacity as a functionary of the primary union. It appears Mongal Bhagat had taken up the cause of a batch of workers who had been working under assumed names. The Union claimed that they should be placed on the garden books as permanent workers. This was in all probability a sequel to the action

taken by Mr. Austin in conformity with the notice, dated the 22nd of July. Some of these people were given permission to work in their own names. Towards the close of the letter, Ext. 47, Mr. Austin made an appeal to Mongal Bhagat in the following words "it is up to you and your subordinate staff to be loyal to the estate and assist the Management in preventing further illegal infiltration into the lines and from labourers taking up work under assumed names without permission". This appeal proved futile. The case of Basia still undetected was not reported. On the other hand when the discovery was made Mongal Bhagat went to the Manager to intercede on her behalf. If was stoutly maintained that it was no part of his duty to make a report. In my view it was his bounden duty to report as he was aware that Mr. Austin was determined to stamp out the evil and had taken steps to transfer this class to the roll of Busti labourers who might be given work at his discretion as and when circumstances demanded. Mongal Bhagat was the Munshi was next in command to the Manager and Assistant Manager. He had to work all over the garden, according to P.W. 1, under the Manager's orders. Besides the notice dated the 22nd July the manager had made a special appeal to him in Ext. A7 to assist the Management in preventing labourers taking up work under assumed names without permission. In this situation Mongal Bhagat was guilty of serious dereliction of duty in not bringing to the notice of Mr. Austin the case of the woman who was working to his knowledge as *Badli* under the name of Basia.

On the 11th of November a football match was played in the garden sporting ground. Assistant Manager Mr. Pattie had collided with a worker-player in course of the game. The player was removed to hospital at the end of the game. He had no visible injury but complained of pain in the shin bone. Evidence has been given that Mongal Bhagat referred to this incident in a meeting held the same evening and held forth that Mr. Pattie had intentionally kicked the worker. In another meeting held later in the evening this incident was again referred to. In 1954 Mongal Bhagat was given the contract for repairing the houses of the workers but the bill for the repairs was so extravagant that in 1955 the contract was given to another who was an outsider. In the second meeting on the 11th November Mongal Bhagat told the audience that the contract was not given to him and exhorted them to demand Saal posts in lieu of bamboo posts and to demand four posts where one was actually needed. Mr. Austin heard the speech from his bungalow amplified by a loudspeaker. This amounted to deliverate incitement of the workers to embarrass the management. It was suggested that his disappointment in not getting the contract had embittered him and advantage was taken of his status as a union leader to create disaffection and mischief. Mongal Bhagat denied having made such statements in the meeting. He admitted that he had addressed the gathering and a loudspeaker was used. He had clear recollection of what he did not say but failed to recall the points he had dealt with. The forgetfulness strikes me as intentional since such wholesale black-out of memory is not at all natural. Mr. Austin sent a report to the labour officer of the Indian Tea Association on the 15th November pointedly mentioning the objectionable remarks and exhortations. Balancing the evidence I am satisfied that the version given by Mr. Austin is correct. An employee who adopts this attitude is a source of danger. The management cannot tolerate such behaviour in an employee holding the responsible position of the Munshi. His dismissal is therefore found to be fully justified. The union pressed the argument that Mongal Bhagat was a leader and hence the company fabricated false charges to throw him out. I am on the other hand led to the finding that being a union leader he

considered himself a privileged person against whom the company would not have the pluck to take any action as with the backing of the workers he could paralyse or partially disorganise the administration of the garden. An employee, though a top-ranking leader, must observe discipline and behave decently. His position in the leadership gives him no charter to defy authority and upset discipline. In this case I have reached the firm conclusion that here is no instance of victimization but justifiable action against one who has by his conduct forfeited the trust due to his post. My award therefore is that dismissal of Mongal Bhagat was justified and he is entitled to no relief.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act by workmen Shri Satyadeo Mishra and 42 others. They alleged that during the pendency of an adjudication proceeding in respect of an industrial dispute between the opposite party Company and their workmen before this Tribunal, the opposite party Company effected change in the system of work by introducing double shift to the prejudice of the workmen without permission from the Tribunal and thus contravened section 33 of the Industrial Disputes Act. Hence the complaint. The petitioners prayed that the Company should be directed to restore the previous system of work.

The opposite party Company opposed the application. It contended that there was no contravention of section 33 inasmuch as the change was effected under the provisions of the standing orders binding upon the petitioners.

Decision

There had been amicable settlement between the opposite party Company and their workmen in the main reference. In pursuance of the said settlement the petitioners filed a petition on 27th December 1956 seeking permission to withdraw the complaint. In view of the settlement permission is accorded to the petitioners to withdraw the complaint. It is awarded accordingly.

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Patit Paban Pathak and Shri H. Roy.

For the Company: Shri S. C. Sen, Advocate, with Shri T. Mukherjee, Assistant Manager of the Company.

AWARD

Both the parties present. Shri P. Pathak and Shri H. Roy for the workmen, and Shri S. C. Sen, Advocate and Shri T. Mukherjee, Assistant Works Manager, for the Company were present.

Heard both sides. This complaint was filed by the workmen, after the Company's application under section 33 of the Industrial Disputes Act was filed for permission to their retrenchment from service. The Company's case was struck off after the disposal of the main reference case, as the Tribunal became *functus officio*. Later, the Company has filed another application before the Fifth Industrial Tribunal, where another dispute between the parties was pending, for permission to retrench these workmen. These facts are not in dispute. Shri Mukherjee suggests that the cases of (i) Mahadev Dutta, (ii) Hari Pada Das and (iii) Narayan Kabar will, according to agreement, be now disposed of by that Tribunal. The cases of other workers, who are either dead or resigned or received dues under settlement, did not require any decision at all. Accordingly Shri Pathak does not press for the decision of this complaint in regard to cases of Mahadev, Haripada and Narayan.

I, therefore, dismiss this complaint for non-prosecution. This is my award.

BEFORE THE INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT:

SHRI M. C. BANNERJEE, *District Judge (Retd.), Chairman, Jute Textile Industry Tribunal.*

For the complainant: Shri Patit Paban Pathak.

For the employers: Shri N. M. Das Gupta, Advocate.

AWARD

The Government of West Bengal, in the Labour Department, by order Nos. 1988/Dis./D/7L-48(A)/53, 2329Dis./D/7L-47/54, 3393Dis./D/3A-10/54, 3537Dis./D/7L-47/54 and 4130Dis./D/7L-47/54, dated 7th April 1954, 6th May 1954, 12th July 1954, 21st July 1954 and 26th August 1954, respectively, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between 101 specified Jute Mills and their workmen regarding some matters specified in a schedule to this Tribunal for adjudication. The award of this Tribunal in respect of this proceeding was published in the *Calcutta Gazette*, dated 6th October 1955.

On 6th October 1955, Janab Asgor Ali, a workman of the Clive Jute Mills Company, Limited, applied under section 33A of the Industrial Disputes Act, stating that the Company declared a lock-out on 24th June 1955, which was lifted on 8th July 1955, but at that time he was not permitted to resume his duties, that he is an important member of the Bengal Chatkal Mazdoor Union and also a member of the Works Committee and that his Union activities were not looked upon with good grace by the Company. He was, therefore, kept out of employment with an ulterior motive by the Company. The petitioner, therefore, prays for reinstatement with full compensation for the period of his non-employment.

The Company, in its written statement, states that the application under section 33A of the Act filed by the applicant is not maintainable inasmuch as it does not disclose any contravention of section 33 of the Act. It is stated that lock-out by the Company and restraining the petitioner from joining his work do not attract the provisions of section 33 of the Act. The application is, therefore, not maintainable in law. It is also stated that an illegal strike during the pendency of a proceeding before the Omnibus Jute Tribunal was launched by the workers on 24th June 1955 at 10-30 a.m. and an assault on the supervisory staff was also committed at that time. The Mill had therefore to declare a closure for an indefinite period from 1 p.m. of that day. The petitioner and some other workers did subversive acts in that on 24th June 1955 at about 10-15 a.m., they

came out of the Old Mills with all the workers and did not go to the Mill to join duties inspite of the Manager's lawful orders and adopted riotous and disorderly behaviour during working hours and assaulted the supervisory staff by going inside the New Mills and struck work with all the other workers of both the Mills by inciting and instigating those workers. The petitioner was, therefore, charge-sheeted on 25th June 1955 for the aforesaid misconduct. A criminal case is also pending against him on the above matter. It is also stated that the petitioner was not taken in after withdrawal of the closure of the Mill as per agreement contained in Annexure A4 of the application. In terms of the aforesaid agreement, the matter regarding the petitioner and other charge-sheeted workers was left with the Deputy Labour Commissioner, Government of West Bengal, for his findings and decision. The company did not act illegally or in a *mala fide* manner as alleged. The company is not aware that the petitioner was an important member of the union. Neither any activity of the petitioner in connection with the union was ever looked upon with any vindictive spirit, as alleged. It is prayed that the application should be rejected.

The points that arise for decision in this case are as follows:—

POINTS

(1) Is the application under section 33A of the Act maintainable?

(2) Is the petitioner entitled to reinstatement or any other relief in this case?

Point No. 1

It appears that there was a strike by the workers of the Clive Jute Mills on 24th June 1955. This strike was obviously illegal, because at that time the proceedings before the Third Major Jute Textile Tribunal, in which the present Company and their workmen were parties, were pending. At 1 p.m. on that day, the Company declared a lock-out of the Mills and closed the Mills. It appears that the Mill was re-opened on 8th July 1955. The complaint of the petitioner is that on that date, he was not allowed by the Company to join his work, and has not yet been allowed to do so. The argument of the learned Advocate for the Company that the lock-out of the Mills from 24th June 1955 to 7th July 1955 was not hit by section 33 of the Act is acceptable. There is, however, no explanation as to why the refusal by the employer to employ the petitioner on the re-opening of the Mills would not be hit by section 33 of the Act. The petitioner has not been employed as yet in the Company and no charge-sheet was also given to him and no enquiry was made on his conduct. The Company is simply silent about him and is not allowing him any employment. I am of the opinion that this conduct of the Company is covered by section 33(b) of the Act. The application under section 33A of the Act is, therefore, maintainable, in view of the fact that this conduct was not in pursuance of a permission in writing of the Tribunal. This point is accordingly answered.

Point No. 2

Evidence has been adduced in this case by both sides. P.W. 1 Jonab Asgor Ali examined himself and was cross-examined by the opposite party Company. Shri C. Bhadra, Manager of the Mill, examined himself and was cross-examined by the opposite party. Ext. 1 is the certified copy of the judgment in G.R. Case No. 851 of 1955 under section 147, I.P.C., of Alipore between the State *versus* Md. Issha, Ashgar Ali and two others and Ext. 2 is the certificate of posting relating to three letters addressed

to the Manager of the Mill. The Company filed the letter of the Deputy Labour Commissioner to the Clive Mills Co. Ltd., dated 11th July 1955, which appears as Ext. A.

On 24th June 1955 there was a trouble in the Mills. There was a strike launched by the workers and the Company declared a lock-out and ultimately closed the Mill on 24th June 1955 at 1 p.m. It appears that some members of the supervisory staff were assaulted by the workmen on 24th June 1955 at the time of the trouble, and some of the workers were arrested by the police. As a result of negotiations, in a conciliation proceeding, the lock-out was lifted and the work resumed on 8th July 1955. Exhibit A shows the terms of the settlement between the parties as a result of the intervention of the Hon'ble Minister of Labour in the matter. According to the terms of the agreement, the Mill was to re-open on 8th July 1955 with all the workers, barring the 5 or 6 workmen against whom police case was pending in connection with the disturbances in the Mills on 24th June 1955. The Company was, therefore, justified in not allowing the petitioner to join on the resumption of the Mills on 8th July 1955. It appears from Ext. 1 that Asgor Ali was acquitted of the charge under section 147, I.P.C., for want of evidence. The judgment also shows that the Labour Officer, who knew Asgar Ali as also Md. Isa by their names, did not name them before the investigating officer as persons participating in creating the alleged disturbances. The evidence of Shri C. Bhadra, O.P.W. 1, does not also show that the petitioner was guilty of any subversive activities on the date of the disturbance on 24th June 1955. In these circumstances, I am of the opinion that the Company would not be justified in refusing employment to the petitioner as it did. It is, therefore, awarded that the petitioner, Asgar Ali, should be reinstated to his job with effect from the date on which this award comes into force.

In consideration of the fact that the petitioner was not taken in employment in pursuance of the terms of settlement as contained in Ext. 1 and the judgment of the 147 I.P.C. case was passed on 10th August 1956, when the present proceeding was pending before this Tribunal, it is awarded that no compensation should be allowed to the petitioner for the period of his non-employment.

The Government of West Bengal, in the Labour Department, by order Nos. 1988/Dis./D/7L-48(a)/53, 2329Dis./D/7L-47/54, 3393Dis./D/3A-10/54, 3537Dis./D/7L-47/54 and 4130Dis./D/7L-47/54, dated 7th April 1954, 6th May 1954, 12th July 1954, 21st July 1954 and 26th August 1954, respectively, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between 101 specified Jute Mills and their workmen regarding some matters specified in a schedule to this Tribunal for adjudication. The award of this Tribunal in respect of this proceeding was published in the *Calcutta Gazette*, dated 6th October 1955.

On 6th October 1955 Jonab Md. Isa, MM 3/133, of Cop-Winding Department, a workman of the Clive Jute Mills Co. Ltd., applied under section 33A of the Industrial Disputes Act, stating that on 24th June 1955, the company declared a lock-out of the mills which was lifted on 8th July 1955, but at that time the applicant was not allowed to join his work. The applicant is a member of the Bengal Chatkal Mazdoor Union and also a member of the Works Committee, and he was, therefore, kept out of employment by the Company with an ulterior motive. The company, in its written statement, states that the application under section 33A of the Act filed by the applicant is not maintainable, as it does not disclose any contravention of section 33 of the Act. It is stated that lock-out by the company and restraining the petitioner from joining his work do not attract the provisions of section 33 of the Act. It is further stated that the petitioner was not taken in after withdrawal of the closure of the Mill as per agreement arrived at as per Annexure A4 of the application. As per the said agreement, the matter regarding the petitioner and other charge-sheeted workers was left with the Deputy Labour Commissioner, Government of West Bengal, for his findings and decision. The company did not act illegally or in a *mala fide* manner, as alleged. POINTS

(2) Is the petitioner entitled to reinstatement or any other relief in this case?

AWARD

DECISIONS

Point No. 1

It appears that there was a strike by the workers of the Clive Jute Mills on 24th June 1955. This strike was obviously illegal, because at that date the proceedings before the Major Jute Textile Tribunal, in which the Clive Jute Mills and their workers were parties, were pending. At 1 p.m. on that day, the Company declared a lock-out of the Mills and

closed the Mills. It appears that the Mill was re-opened on 8th July 1955. The complaint of the petitioner is that on that date, he was not allowed by the company to join his work, and he has not yet been allowed to join his duties. The argument of the learned Advocate for the company that the lock-out of the Mills from 24th June 1955 to 7th July 1955 was not hit by section 33 of the Act is acceptable. There is, however, no explanation as to why the refusal by the employer to employ the petitioner on the re-opening of the Mills would not be hit by section 33 of the Act. The petitioner has not been employed as yet by the company and no charge-sheet was also given to him and no enquiry was made on his conduct. The Company is simply silent about him and is not allowing him any employment. I am of the opinion that this conduct of the company is covered by section 33(b) of the Act. The application under section 33A of the Act is, therefore, maintainable, in view of the fact that this conduct was not in pursuance of a permission in writing of the Tribunal. This point is accordingly answered.

Point No. 2

Evidence has been adduced in this case by both sides. P.W. 1 Jonab Asgar Ali, was examined for the petitioner and was cross-examined by the opposite party Company. O.P.W. 1 Shri C. S. Bhadra, Manager of the Clive Jute Mill, examined himself and was cross-examined by the Union. The judgment of the Magistrate, Ext. 1, and the certificate of posting, Ext. 2, were filed by the Union. The letter of the Deputy Labour Commissioner, Ext. A, was filed by the Company.

There was a trouble in the Mills on 24th June 1955. The workers launched a strike and the company declared a lock-out of the Mills and closed the Mill with effect from 1 p.m. on 24th June 1955. It appears that some of the supervisory staff were assaulted by the workmen at the time of the trouble on 24th June 1955, and the police arrested some of the workers. As a result of negotiations in a conciliation proceeding, the lock-out was lifted and work resumed on 8th July 1955. Exhibit A shows the terms of the settlement between the parties as a result of the intervention of the Hon'ble Minister of Labour in the matter. It was agreed that the Mills were to be re-opened on 8th July 1955 with all the workers with the exception of 5 or 6 against whom the police had already instituted cases in connection with the disturbance in the Mills on 24th June 1955. The Company was, therefore, justified in not allowing Md. Isa to join work on 8th July 1955 when work was resumed in the Mill. Exhibit 1, the judgment, of the criminal court, shows that Md. Isa was acquitted of the charge under section 147, I.P.C., for want of any evidence. The judgment shows that the Labour Officer, who knew Asgar Ali and Md. Isa by their names, did not name them before the investigating officer as persons participating in creating the alleged disturbance. The evidence adduced in this case by O.P.W. 1, Shri C. Bhadra, Manager of the Mills, does not show that the petitioner was guilty of any subversive activities on the date of the disturbance on 24th June 1955. In the circumstances, I have no other alternative than to hold that the company would not be justified in refusing employment to the petitioner any further. It is, therefore, ordered that the applicant be reinstated to his job with effect from the date of the commencement of the operation of this award.

In view of the fact that the petitioner was not taken in employment in view of the terms of settlement in Ext. A and the judgment of the Magistrate was passed on 10th August 1956, when the present proceeding was

pending before the Tribunal, it is awarded that the applicant should not be allowed any compensation for the period of his non-employment.

ANNEXURE

In the matter of an industrial dispute between the Bihar Rubber Industrial Company, 14/1 Bibibagan Lane, Calcutta-15 and their employees represented by Behar Rubber Industrial Co. Mazdoor Union, 12A, Shibtola Lane, Calcutta-15, referred under Government order No. 5148-I.R., dated the 1st December 1956 (Case No. VIII-234 of 1955).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Suprabhat Mukherjee, Pleader.

For the Company: Shri S. C. Sen, Advocate, and Md. Ghulam Guline, Sales Manager of the Company.

AWARD

An industrial dispute, relating to matters mentioned in the schedule below, existing between Bihar Rubber Industrial Company, Calcutta, and their employees, represented by Behar Rubber Industrial Co. Mazdoor Union, was referred to this Tribunal by an order of the Labour Department

No. 5148-I.R./D/11L-220/56, dated 1st December 1956. The schedule to the order of reference contained the following issues:—

(1) What should be the dearness allowance payable by the company to the workmen?

(2) What should be the minimum wages of the Sirdars?

(3) Whether the company should pay any bonus to the workmen for the year 1954?

The parties adopted the written statement already filed in the case.

Both the parties filed a petition of compromise this day when the case came up for hearing. Heard the learned Lawyers of the parties. The dispute has been settled amicably between the parties and the terms of settlement as in Appendix A do not appear to be unreasonable. The issues Nos. 2 and 3 were not pressed by the Union. Regarding the issue No. 1, the minimum rates of daily-rated workmen are raised to Rs. 2 with effect from 1st February 1957. The petition of compromise will form a part of this award.

M. N. GAN,
Judge, Fourth Industrial Tribunal.

AWARD

This reference made by Government order No. 1620Dis.|D|11L-279|55, dated the 20th April 1956, is concerned with the service conditions applicable to the employees of two firms carrying on business as scale makers.

The issues formulated in the order of reference are in the following terms:

(1) Retirement benefit;
(2) Festival bonus;
(3) Revision of wages;
(4) Dearness allowance;
(5) Medical facilities;
(6) Leave and holidays;
(7) Security of service.

The case submitted in the written statement filed by the Union on behalf of the workers is that demands were submitted to the employing firms for amenities to which the workers were entitled. The demands not having been granted there was conciliation proceeding in the Labour Directorate where terms of agreement were arrived at. Negotiations were being carried on with five firms engaged in same kind of trade. Out of these five firms only three accepted the terms of settlement and signed the same. The other two firms did not subscribe to the agreement and hence the disputes had to be submitted to this Tribunal for adjudication.

The two firms made parties in the proceeding raised the plea that the reference itself was bad on account of misdescription of the parties. On the merits their case is that the business carried on by them is of a limited scope and the profits earned are so meagre that any additional strain laid upon the finances would spell disaster. A handful of workers are employed who are unskilled labourers. The emoluments paid which include dearness allowance are quite adequate. No revision of the same is warranted.

Decision

Before I enter into a discussion of the issues framed, it is necessary to advert to the points raised in the written statement by the two firms that owing to misdescription the reference itself is vitiated. The first firm in the order of reference is Messrs. Wooma Charan Karmakar, of which D. L. Karmakar has been described as the Proprietor. The point raised on behalf of the firm is that D. L. Karmakar who is one of 4 partners is not the Proprietor. It will, however, appear that during conciliation proceedings D. L. Karmakar was described as the Proprietor in the notice issued by the Assistant Labour Commissioner [*vide* Ext. 3(e)]. In the letter Ext. A addressed by D. L. Karmakar to the Assistant Labour Commissioner for a copy of the terms tentatively agreed upon, he described himself as one of the Proprietors. Exhibit 4 is the list of workers employed in this firm. This list bears the signature of D. L. Karmakar, who was described therein as the Proprietor. P.W. 1, the then Assistant Labour Commissioner, gave evidence that all the maliks of the five firms attended the conferences. None of them raised any objection at any stage that the address or other particulars were incorrect. D. L. Karmakar is one of the four partners. The defect in the reference in so far as he was described as the Proprietor is only superficial and does not affect the validity thereof.

The other firm in the reference has been described as Messrs. Wooma Charan Karmakar, Firm, Nagendra Nath Karmakar, Proprietors, Messrs. Gajendra Nath Karmakar and Gouri Charan Karmakar. In the written statement filed on behalf of this firm, it was pointed out that this concern had no connection with any firm named Wooma Charan Karmakar. The firm bore the name of Nagendra Nath Karmakar, of which Gajendra Nath and Gouri Charan were the partners. In this case also the defect is not at all material. The firm has, in fact, been described as Nagendra Nath Karmakar just in the same way as in letter Ext. 3(e) addressed by the Assistant Labour Commissioner. The point raised on behalf of the firms that the reference is bad must accordingly be decided against them.

Issue No. 1.—At the hearing the labour representative frankly conceded that the business is of such small dimensions that retiral benefit cannot justly be provided for the workers. This issue was not hence pressed.

Issue No. 2.—This issue was also given up. I need not, therefore, say anything further with regard to this demand.

Issue Nos. 3 and 4.—Exhibit 1 is the signed agreement. Three of the five concerns accepted the terms. According to this agreement the basic minimum pay of the Head Mistry was fixed at Rs. 3 and the maximum at Rs. 3-12. The minimum dearness allowance was fixed at Re. 1 and the maximum at Rs. 1-4. The Mistry is to draw a minimum basic pay of Rs. 1-12, maximum basic pay of Rs. 2-8, minimum dearness allowance annas 12 and maximum Re. 1. Assistant Mistry is to draw Rs. 1-8 as minimum basic pay, Rs. 1-12 as maximum basic pay, annas 8 as minimum dearness allowance and annas 12 as maximum dearness allowance. Helper is to draw Re. 1 as basic minimum pay and Rs. 1-8 as maximum, annas 8 as dearness allowance. (There being no variation in the rate of dearness allowance.) Unskilled boy is to draw annas 10 as minimum and annas 12 as maximum pay, annas 6 as minimum dearness allowance and annas 8 as maximum dearness allowance. The list (Ext. 4) shows that in the firm of D. L. Karmakar the post of the Head Mistry is vacant. The pay which the Head Mistry used to draw was Rs. 4. If any Head Mistry is appointed by this firm or by the other firm, his pay together with dearness allowance should be Rs. 5 inclusive of dearness allowance. The mistry's pay according to Ext. 4 is Rs. 3. In the compromise petition the maximum pay was Rs. 2-8. If Re. 1 be added as maximum dearness allowance it comes up to Rs. 3-8. Having regard to the smallness of the undertaking, I do not consider it expedient to make any alteration in the wages. It will remain Rs. 3 per diem. The Assistant Mistry is drawing Rs. 3. It is higher than the pay provided for the Assistant Mistry in the compromise. It will remain Rs. 3 under this award. One of the helpers is drawing Rs. 2-2 and the other Rs. 2. The highest pay according to the compromise petition including dearness allowance is Rs. 2. No alteration is, therefore, necessary. The helper will get Rs. 2 per diem. One unskilled boy is drawing Rs. 1-2 and another Re. 1. According to the compromise the highest basic pay is annas 12 and dearness allowance annas 8. I am not persuaded that any alteration will be justified. The unskilled boy will receive wages up to maximum of Rs. 1-2 inclusive of dearness allowance.

Issue No. 5.—No argument was addressed to the Tribunal in support of the demand for medical facilities. The industry is so small that the labour representative could not insist on the Tribunal making provision for medical aid. No relief can be granted in this respect.

Issue No. 6.—Under the agreement the workers are to get medical leave for 14 days in a year on half pay on production of medical certificate or other evidence of illness. Privilege leave on full pay for 6 days in the year has also been provided for. Three days' casual leave in a year on half pay is also made available. Six days' festival leave, 3 days on the occasion of Durga Puja, one day on the occasion of Viswakarma Puja, one day on the occasion of the Holi festival and one day on the 26th January (Swadhinata Day) have been granted under the agreement. The evidence before this Tribunal is that before this agreement was reached, these firms used to grant 6 or 7 days' festival holidays but after the agreement these holidays have been reduced to 4 days. No leave is granted. Labourers have to work on the system of "no work, no pay". It was argued that any addition to the list of holidays and provision for leave, would react adversely on the business as it cannot afford to suspend work without running into serious loss. Production is necessarily impeded to some extent when workers are allowed holidays or leave, but that is unavoidable. The employer cannot insist that the people serving him must be under a constant strain and go on working without periodical rest. Leave and holidays are normal incidents which the worker can legitimately aspire after. It is awarded that the workers will get 6 festival holidays as under the agreement. They will also get 10 days' medical leave in a year on half pay on production of medical

certificate or other evidence of illness. They will get 3 days' casual leave in a year on half pay, and 6 days' privilege leave in a year on full pay.

Issue No. 7.—The Union seeks relief in the form of confirmation after a period of apprenticeship extending over six months. There is no reason why this prayer should not be granted. It is awarded that workers on probation will be confirmed on the expiry of six months which period may, however, be extended to three months more if it is found necessary to give a further trial to any of them.

No. 193I.R.|D|11L-133|56.—16th January 1957.—Whereas under the Government of West Bengal, Labour Department, order No. 3724Dis.|D|11L-133|56, dated the 22nd August 1956, the industrial dispute between Messrs. Ramsahaimull More, Ltd., 5 Clive Row, Calcutta-1 and its employee Shri Kalipada Bose, 6 Panchanan Mukherjee Road, Calcutta-2, represented by Federation of Mercantile Employees' Union, 23A Netaji Subhas Road, Calcutta-1, regarding the matters specified in the schedule thereto was referred for adjudication to the Second Industrial Tribunal;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Ramsahaimull More, Ltd., 5 Clive Row, Calcutta-1 and its employee Shri Kalipada Bose, 6 Panchanan Mukherjee Road, Calcutta-2, represented by Federation of Mercantile Employees' Unions, 23A Netaji Subhas Road, Calcutta-1.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. P. MUKHERJEE, *Judge, Second Industrial Tribunal.*

Appearances.

For the employee: Shri K. D. Roy, Office Secretary, Federation of Mercantile Employees' Unions.

For the Company: Shri Biswanath Ash, Advocate.

The Government of West Bengal, Labour Department, by its order No. 3724Dis..D|11L-133|56, dated 22nd August 1956, referred the above dispute to this Tribunal for adjudication.

The issue as contained in the schedule to the Order of Reference is as follows:—

(1) Is the discharge of Shri Kalipada Bose, justified? To what relief including reinstatement is he entitled?

AWARD

The facts giving rise to the dispute lie within a short compass and may be stated thus:—Shri Kalipada Bose was working in this Company for about 14 years. But on 10th November 1955 he was, all on a sudden, discharged without any cause or reason. He was neither charge-sheeted, nor was any reason given in the notice of his discharge. His discharge was, therefore, unjustified and *mala fide*. So, his reinstatement with back pay has been claimed.

The Company in its rejoinder has stated that the dispute is an individual dispute, and not an industrial dispute, and as such the Tribunal has no jurisdiction to adjudicate upon the issued referred to it by the Government. The Company has further stated that the Federation of Mercantile Employees' Unions is not a disputant, but it has merely placed its services at the disposal of the employee concerned. The said Federation has not espoused the cause of Shri Kalipada Bose, nor has it been taken up by other employees of the Company. Regarding the merits, the Company wanted to say that the services of Shri Bose were dispensed with for justifiable reasons, and as such he was not entitled to get any relief whatsoever.

Before entering into the merits, I shall take up the legal objection that has been raised on behalf of the Company, as it touches the jurisdiction of the Tribunal. The legal objection is that it is an individual dispute, and not an industrial dispute. Whether an individual dispute is an industrial dispute within the meaning of section 2(k) of the Industrial Disputes Act, 1947, has been debated in a number of cases, both at the lowest and upper levels leading to a bewildering divergence of decisions. The Calcutta, Patna and Madras High Courts have held that an individual dispute, unless taken up by a trade union or association of employees, does not mature into an industrial dispute, while the High Court of Allahabad has, on the other hand, struck out in the reverse direction. But in this connection, I may say that the Hon'ble Supreme Court in a case reported in 1953 L.L.J.(i) 196 has held that an individual dispute is not *per se* an industrial dispute. It may be converted into an industrial dispute, if it is taken up by any trade union, of which he is a member. The Hon'ble Supreme Court in a very recent judgment, reported in the Indian Factories Journal Report, Vol. XI, page 298, has reiterated its previous decision that the dispute, which concerns only the rights of individual workers, cannot be held to be an industrial dispute, and that a dispute between an employer and a single employee cannot *per se* be an industrial dispute, but it may become one, if it is taken up by the Union or a number of workmen. The recent view taken by the Calcutta High Court is also on the same line. It is now well-settled that an individual dispute is not *per se* an industrial dispute. But it may be converted into an industrial dispute, if the cause of the dismissed employee is taken up by majority of the employees or by a trade union, of which he is a member.

Now let me turn to the facts of the present case. The employee concerned—Shri Kalipada Bose—has no doubt been represented in this dispute by the Federation of Mercantile Employees' Unions. But it is crystal clear from the evidence of Shri Bose that he was not and is not a member of that Federation. He has further stated that he is not aware, if any other employees of this Company are members of that Federation. It has also transpired from his cross-examination that at the time, while he was discharged, there were about 40 employees in this concern, and those employees did not take up his cause

or back up his case. What has been stated above, clearly demonstrates that neither Shri Kalipada Bose nor any other employees of this concern are members of the said Federation, nor other workers of this Company have espoused his cause. The letter of authority that was addressed on 20th January 1956 by Shri Bose to the General Secretary, Federation of the Mercantile Employees' Unions, is Ext. 3. It shows that Shri Bose only authorised the General Secretary of that Federation to take up his dispute and represent him in the matter. This does not necessarily prove that the said Federation espoused his cause and decided to utilise its collective bargaining strength. On a construction of the said letter, it appears to me that this employee had merely asked the Federation to represent him at the time of hearing of the dispute, both before the Conciliation Officer and the Tribunal. It does not imply or establish that the Federation made the cause of Shri Kalipada Bose its own cause. In this respect, I follow the decision of the Labour Appellate Tribunal in case of Lakshmi Talkies, Madras and Munuswami (G.A.) and others *vs.* their workers reported in 1955(ii) L.L.J. 477. It has been observed in that case that there is a distinction between a Union merely helping an employee, who, it thinks, should be helped, and its taking up his case as one, which affects the general body of workmen and adopting it as its own. Then again, there is another decision of the Labour Appellate Tribunal on the point, and it is the case of Janata Bus Transport, Tellicherry *vs.* its workers [1956(i) L.L.J. 470]. It has been held in this case that where the reference of a dispute relating to the dismissal of two employees out of 15 employees was made at the instance of the Union, in which except the dismissed employees, none of the remaining workmen was a member, the dispute referred could not be considered to be an industrial dispute in the absence of any evidence to show that the workmen other than the dismissed employees, espoused their cause and made it a collective dispute. In the instant case, the facts are stronger. The employee concerned has unequivocally admitted in his cross-examination that no employees of this concern espoused his cause and made it a collective dispute. Other employees of this concern are not also members of the Federation, which wanted to represent this employee. Even the employee concerned is not also a member of the said Federation. There is no evidence also to show that the Federation, in representing Shri Kalipada Bose in the dispute, had decided to utilise its collective bargaining strength. Neither the employee concerned, nor any of the other employees of this Company being member of the Federation, which represented the employee, the dispute with regard to the dismissal of Shri Kalipada Bose could not, in my view, be taken up by that Federation. It was an individual dispute at its origin, and remained so throughout, even though for the purpose of representation, the Federation of Mercantile Employees' Unions had entered appearance on behalf of the said employee. The Tribunal, therefore, holds that it is an individual dispute, and as such the Tribunal has no jurisdiction to adjudicate upon the dispute despite reference made by the Government.

In view of my above finding, I refrain from entering into the merits of the case, though the parties have adduced evidence.

This is my award.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act by Shri Indu Bhusan Chakravarty. During the pendency of an adjudication proceeding in respect of an industrial dispute between the opposite party Company and their workmen, referred to this Tribunal under Government order, dated 3rd June 1955, the petitioner Shri Indu Bhusan Chakravarty was charge-sheeted on 3rd August 1955 for (i) wilful insubordination and (ii) acts subversive of discipline in connection with incidents of 25th July 1955, 27th July 1955 and 2nd August 1955 (*vide* Annexure L to the application under section 33 by the company). The petitioner was simultaneously suspended from 3rd August 1955 as a security measure pending enquiry into the charges (*vide* Annexure O to the petition of complaint under section 33A). On 10th August 1955 the petitioner submitted explanation to the charges (Annexure N to the complaint under section 33A). Thereafter the Company held enquiry into the charges on 22nd August 1955 and 23rd August 1955. The petitioner and his representative Shri Atin Sadhu attended the enquiry. In support of the charges the Company examined three witnesses—Accounting Manager Mr. R. A. Anderson, Employees Relations ment Mr. C. H. Kincaid whom Shri Atin Sadhu cross-examined; while in Officer, Shri P. Ghosh and Systems Accountant of the Accounting Departsupport of his defence the petitioner alone deposed and he was cross-examined by the Company's representative (*vide* proceedings of the enquiry Annexure N to the petition under section 33 from page 37 to 89). On 2nd September 1955 the enquiring officer submitted report to the Manager of the Company finding that the charges were established (*vide* Annexure O to the petition

under section 33). On 10th September 1955, the Manager of the Company accepted the findings and directed suspension of the petitioner without pay from 13th September 1955 to 12th October 1955 with instructions to the legal advisers to process a petition to the appropriate tribunal for permission. The Manager also directed therein to pay the petitioner his due salary including dearness allowance for the period from 3rd August 1955 to 12th September 1955 during which the petitioner was under suspension as a security measure pending enquiry into the charges (*vide* Annexure P to the petition under section 33). On 20th September 1955 the Company filed a petition under section 33 of the Industrial Disputes Act seeking permission in relation to the punishment by suspension from 13th September 1955 to 12th October 1955. On 7th October 1955 the petitioner submitted written statement in the said proceeding under section 33.

Then the petitioner filed the present complaint under section 33A on 21st December 1955 complaining contravention of section 33 and praying for a direction on the Company to withdraw the order of suspension and to pay him his salary and other allowances for the said period. The petitioner Shri Indu Bhusan Chakravarty has been the General Secretary of Standard Vacuum Employees' Union. In his complaint under section 33A the petitioner denied the charges and pleaded in short that the Company punished him with suspension *mala fide* by way of victimisation.

In reply the opposite party Company on the other hand maintained that it acted *bona fide* and that the punishment was justified.

Parties did not adduce oral evidence in support of their cases. They relied on the Annexures as appeared on the record of the present proceeding as also on the record of the proceeding under section 33 which were admitted into evidence without formal proof at the instance of the parties, besides the affidavit sworn by Mr. C. H. Kincaid and counter-affidavit sworn by Shri Indu Bhusan Chakravarty the proceeding under section 33.

DECISION

The Company does not dispute that there has been contravention of the provisions of section 33. It states that the contravention was un-intentional. Having regard to the recitals of the order dated 10th September 1955 (Annexure P) of the Company's Manager and the fact that the application under section 33 was in fact filed soon after on 20th September 1955 during the operation of the order of suspension, I am inclined to accept it to be un-intentional. Be that as it may, as there was contravention, it is obvious that the complaint under section 33A is competent and the merits of the case have to be enquired into. So, the question which arises for determination is whether the action of the Company was justified and whether the management was actuated from a motive of victimisation. The decision of the management in relation to the charges against the employee will not prevail if (a) there is want of *bona fides*, or (b) it is a case of victimisation or unfair labour practice or violation of the principles of natural justice, or (c) there is basic error of facts or (d) there has been perverse findings on the materials.

Shri Indu Bhusan Chakravarty was admittedly in Ledger Section since 1949. He was assigned to handle the Stationery Ledger which was started in February 1954 from inventory balances. His work position was seriously in arrear. It was 5 months' arrears in the beginning of July 1955. Repeated requests were made by the Company to him (Indu Babu) to work overtime to pull up the arrears. On 8th July 1955 the Accounting Manager,

Mr. Anderson by his letter Code 1500 of date brought to his attention the seriousness of his work position and set up a deadline by 31st July 1955 for completing half of his arrears of work. In order to get it done Mr. Anderson also requested the petitioner *to work overtime for pay* which Indu Babu avoided or declined. The office orders of the Company effective from 12th June 1954 provided as follows:—

> Section III (b). "An employee may be required to work overtime for a period not exceeding three hours on any working day. For such overtime he will be paid at the end of the month one half day's extra salary or granted a half holiday in the following week, at employee's option.
>
> However, no overtime payment will be made in respect of overtime work for a period not exceeding half an hour on any working day or when the employee concerned works overtime on his own accord for the purpose of completing his arrears with a view to avoid censure from his superior officer.
>
> In no case will an employee receive pay for overtime unless expressly required to work by the Management in writing."

Then again when the petitioner agreed to work overtime, he did so for compensatory leave which in effect meant that by working 2 hours Shri Chakravarty could avail of leave for 3 hours thus reducing the normal working hours by an hour. According to Shri Chakravarty the reason why it was not possible for him to work overtime except against compensatory leave was that there was a serious dispute between the Union and the Company regarding the Company's attempt to abruptly curtail their rights in respect of the hours of and rate of overtime work and that it was the Union's policy not to work overtime except against compensatory leave (*vide* page 3, paragraph 11 of his written statement in the case under section 33). This would show that Indu Babu deliberately avoided to work overtime and when he agreed to do so against compensatory leave he thereby purposely intended to nullify the effect of overtime work. In view of the provisions in the office orders when there was arrear, the Company was justified to insist upon Indu Babu to work overtime for pay to pull up the arrears and not to elect for compensatory leave. In the face of arrears Indu Babu had no justification to claim compensatory leave in lieu of pay for overtime work as it would obviously aggravate the work position. The Company in the circumstances could have rightly pointed out to Shri Indu Babu to other provisions in clause (b) of section 3 to the effect that no overtime payment would be made in respect of overtime work for a period not exceeding half an hour but on any working day and when the employee concerned worked overtime of his own accord for the purpose of completing his arrears with a view to avoid censure from his superior officer. Indu Babu had, therefore, no justification whatever not to work overtime for pay. The plea that the Union was against such overtime except against compensatory leave cannot hold good. So long as the office orders stand, it was the bounden duty of the workmen to comply with the said conditions of service.

Finding that Indu Babu was not anxious to bring his work up to date, the Management, it appears, placed him directly under Accounting Manager Mr. Anderson on 14th July 1955 for close supervision. I find no *mala fide* in it.

The suggestion that the petitioner was so transferred under the direct supervision of Accounting Manager Mr. Anderson with an eye to future to exclude witnesses in respect of dealings with the petitioner is, to say the least preposterous. Remarks on contemporaneous document—Form 34-7-LF

to the effect that Indu Babu was 5 months in arrears of work and was not anxious to bring his work up to date would rather afford the clue for such transfer. It appears that in spite of the steps taken Indu Babu did not improve. Remarks at the bottom of the letters issued to Indu Babu after his transfer to Accounts Manager's staff show that he was still refusing to work overtime (*vide* pages 19, 20, 21 of the proceeding under section 33).

Against this background there was the incident on 25th July 1955. Mr. Anderson was concerned by Indu Babu's repeated refusal to work overtime and it appears that he accordingly called Indu Babu to his office on that date. During the interview it appears that Mr. Anderson asked Indu Babu about his work position and asked him to submit to him a written report each evening. To this Indu Babu was reported to have replied in an insolent and surly manner, "Aren't you going to keep an eye on my work yourself?" It appears that Mr. Anderson again instructed Indu Babu that he required a written progress report, when Indu Babu was reported to have said "why must I submit a progress report" in a very surly and insolent manner. Mr. Anderson, it appears, again explained to Indu Babu why it was necessary to submit this progress report and again asked the petitioner if he was going to comply and Indu Babu was reported to have replied most sarcastically "yes". Ultimately, it appears, Mr. Anderson told Indu Babu to behave himself and directed him to return to his work. Systems Accountant Mr. Kincaid was present during the incident. He not only made statements in support of the incident during the enquiry, but also swore affidavit in the proceeding under section 33. Besides the incident was recorded in the letter written by Mr. Anderson to the petitioner (*vide* page 23 of the proceeding under section 33). Mr. Anderson claimed to have taken contemporaneous notes of Indu Babu's remarks (*vide* page 43).

After the incident on 25th July 1955 Indu Babu made in purported compliance with Mr. Anderson's request to submit daily progress report, submitted on 26th July 1955 a chit of paper which runs as follows:—

"R.A.A.

I am posting delivery slips as of the middle of the month of March.

I. B. CHAKRAVARTI.
26-7-55."

This led to the incident on 27th July 1955. As the chit of paper was not considered satisfactory, Mr. Anderson called Indu Babu into his office. It was alleged that he questioned him (Indu Babu) about the slip which purported to be his progress report and asked from him for more details regarding his work position. It further appears that Mr. Anderson also gave Indu Babu a routine memorandum asking him to remain after office hours to bring his work out of arrears (*vide* page 44 of the proceeding under section 33). There was further discussion when Indu Babu complained about being overburdened. Indu Babu was alleged to have indicated that he required to spend considerable time to attend negotiations, conciliations and Tribunal hearings, to which Mr. Anderson was reported to have replied that Company took that into consideration and therefore, he (Indu Babu) had been given a job which would normally require a maximum of 3 to 4 hours per day. It was said that he was given a light job and therefore arrears would not be justified (*vide* page 45 of the proceeding under section

33). It was said that during discussions Indu Babu came out with two calumnious statements. The two statements are said to be as follows:—

"Mr. Anderson you have a very, very low policy".

"Your sense of respect has some other channel."

Mr. Anderson stated that Indu Babu's manner was insubordinate, very abrupt, rude and sarcastic and his attitude was insolent and insulting (*vide* page 46 of the proceeding under section 33). Mr. Anderson stated that he asked Indu Babu to withdraw the remarks but Indu Babu refused to do so in most slanderous and offensive manner. He further stated that he then looked at Mr. Kincaid and asked Indu Babu if he still refused to withdraw, to which Indu Babu was reported to have said in a much louder tone "yes" "I refuse". It was said that thereafter Mr. Anderson asked Indu Babu to report back to his work and Indu Babu left slamming the door behind. Mr. Kincaid was present during incident of 27th July 1955 as well. Mr. Kincaid also supported Mr. Anderson's version. Mr. Anderson took contemporaneous notes of the 27th July incident. He wrote to Indu Babu on that very day (*vide* pages 25 and 26 of the proceeding under section 33). Indu Babu replied to the allegations by a letter on the same date (*vide* page 27 of the proceeding under section 33). He alleged that on 27th July 1955 Mr. Anderson was making enquiry whether the petition signed by the canteen staff was drafted by him. Mr. Anderson as also Mr. Kincaid characterised the said statement as untrue. Mr. Anderson stated that he had nothing to do with trade union matters which were being dealt with from Employees' Relation Department (*vide* pages 47 and 48, 53, 60, 61 and 62). Mr. Anderson stated that he was concerned with Accounting matter and he had nothing to do with canteen staff or with trade union matters. The allegation of Indu Babu that Mr. Kincaid was not present on that date was also denied both by Mr. Kincaid and Mr. Anderson.

After the incident of 27th July 1955 the Accounting Manager wrote to Indu Babu on 28th July 1955 requesting him to work overtime that evening or on any subsequent period up to 30th July 1955 if possible. On the letter Indu Babu remarked "will communicate my decision in due time" (page 29 of the proceeding under section 33).

On 29th July 1955 Mr. Anderson replied to Indu Babu in respect of his letter, dated 27th July 1955, characterising the allegations therein as complete destortion of facts (*vide* page 28 of the proceeding under section 33).

Then came the incident of 2nd August 1955. According to Mr. Anderson he called Indu Babu to his office that day to question him regarding Indu Babu's statements in his letter, dated 27th July 1955, to the effect "whereupon you grew angry with me, threatened me with dismissal and ordered me back to my table" and "it appears that it is nothing but a further step for grounds for victimising me" and also for Indu Babu's alleged statements on 27th July 1955 to the effect "You have a very very low policy" and "Your sense of respect has some other channel". According to Mr. Anderson he asked Indu Babu if he intended retracting those statements. Indu Babu refused to retract those statements. Again Mr. Anderson asked him to retract when Indu Babu remained silent. Mr. Anderson stated that he asked Indu Babu to retract the statements as management took serious view and as this contributed to indiscipline and as Mr. Anderson's position was being jeopardised by Indu Babu in front of his colleagues (page 50 of the proceeding under section 33). Indu Babu finally said that he refused to make any statement or say anything regarding his action. Indu Babu was also reported to have said "I may reply in writing in due course" (pages 51-66 of the proceeding under section 33). Employees' Relation Officer

Shri P. Ghosh was present during the interview on 2nd August 1955. He supported Mr. Anderson's version. There was nothing to suggest why Shri P. Ghosh and Mr. Kincaid holding such responsible position would make false statements. Having regard to the evidence and circumstances and probabilities I prefer to accept Company's version of the incidents. These would support the findings by the management that the charges were established.

Regarding plea of *mala fide* and victimisation though the sequence of events may so suggest but on close analysis it appears that this is not so, but the Company acted *bona fide* throughout. As there were arrears the Company was perfectly within its rights to take steps and measures to pull up the said arrears. Merely because such actions came in the wake of mass demonstration on 2nd July 1955, it cannot be said that the action of the Company was *mala fide*. It, on the contrary, appears that the action of the Company was the result of the requirements of the situation and proceeded from a consideration of the merits and was not actuated by motive of victimisation or want of good faith.

I, therefore, find that none of the elements for interference as detailed in the beginning exists justifying interference with the decision of the management in the present case. The complaint under section 33A must, therefore, fail.

It is awarded accordingly.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Mackinnon Mackenzie and Co. (Private), Ltd., 16 Strand Road, Calcutta and their employees represented by Mackinnon's Employees' Association, 16 Strand Road, Calcutta.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. PALIT, *Judge, Fifth Industrial Tribunal.*

Present for the Association: Shri B. Choudhuri, Counsel.

Present for the Company: Shri S. Choudhuri, Counsel, with Shri J. K. Ghosh, Advocate, of Messrs. Orr, Dignam & Co., Solicitors.

1. By Government order No. 2112Dis./D/11L-104(A)/56, dated 19th May 1956, the aforesaid dispute has been referred to the Fifth Industrial Tribunal, presided over by me, for adjudication under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947). The said Fifth Industrial Tribunal was constituted under section 7 of the Act by the notification No. 3581Lab., dated the 9th June 1951.

2. The reference was received here on 23rd May 1956. After usual notices the Association filed written statement in triplicate on 29th June 1956. The Company filed written objection on 6th August 1956. After several adjournments the case was taken up for hearing on 22nd December 1956. On that date when the case was opened, after some discussions, the parties made some offers for an amicable settlement of the dispute, and placed the terms of settlement in writing before the Tribunal for consideration. The Tribunal went into the question, and after consideration reserved its orders.

3. The only issue contained in the schedule to the order of reference stands as follows:—

(1) In the matter of pension; and making provision for payment thereof out of—

(a) Current revenue;

(b) Capital and Assets;

(c) A pension fund;

(d) Otherwise.

AWARD

4. The Association, after a review of the position that stood at the time of the dispute, makes the following prayers, viz.,—

(a) To create a pension fund of a sum of Rs. 85 lacs and to pay out of that the pensions that are being paid at present.

(b) To create a pension fund of a sum of Rs. 35 lacs to be available to the present employees for their pensions as and when they retire.

(c) To maintain the said sum of Rs. 35 lacs and/or such higher sum as may become necessary by depositing therein an appropriate sum every year from the current revenue.

(d) Pending the creation of the fund the pension be paid out of the current revenue and/or the capital assets and other funds of the Company, if necessary.

It will appear from the written statement of the Association that there is not much dispute about the scale of pension and the conditions governing such payment. But the Association seems to have been disconcerted when, after the introduction of the Provident Fund, the Company asserted that the payment of such pension is purely discretionary, and dependent on the trading position of the Company. This fear was further enhanced when the Company was suspected of reducing its total share capital.

The Company, however, does not admit all of these allegations. It sets out in its long written statement that the Company was incorporated some time on 30th March 1951. Until the 31st March 1956 the Company's activities were twofold, viz., its shipping activities and its non-shipping activities. The former included its managing agency of the B. I. S. N. Co., Ltd., and the latter comprised its managing agency of the India Jute Co., Ltd., the Meghna Mills Co., Ltd. and Salonah Tea Co., Ltd. and others. On the 31st March 1956 the Company abandoned its non-shipping activities and switched over to the shipping activities only. It is said to be the practice of the firm to pay its clerical employees and the subordinate staff in Calcutta some pension. It is said to have started as far back as 1891 or 1892. But up to 1914 there was no definite scale of pension. In 1914 a tentative scale was sought to be introduced. In 1931 there was a cut in the said pension. That was, however, restored partially in 1943 and fully in 1946. The firm started the Provident Fund scheme in 1950. The rate of contribution was 10 per cent. for the clerical staff and 6¼ per cent. for the subordinate staff. This was made compulsory for all new entrants subsequent to 1st April 1950. It was optional for employees appointed on or after 1st April 1944. It was, however, qualified by a clause that both the pension and the Provident Fund would not go together. There were other clauses which are not very relevant here. The Company at no time had any pension fund. It is said to have been paid out of current revenues. The Company resists the claim for the institution of any such fund for the purpose. It also questions the jurisdiction of the Tribunal to decide this matter.

I need not go into the consideration of merits and demerits of the above contentions, as the parties by a joint petition have placed before me some proposals regarding the terms on which they could meet. An award of the Tribunal was solicited. I have lent serious thought to the terms suggested by the parties. Though the terms are not as decisive and definite as it was desirable, still to resolve the present dispute, I think, they do suffice. Besides, to maintain the cordial relation which is said to have subsisted so far between the Company and its workmen. I do not like, in the interest of industrial peace, to dissent from any of those terms. So, in the conclusion, I accept the terms proposed by the parties as the basis of my present award, and I incorporate them in the Appendix A to my award forming a part and parcel of the same. Regarding the scale of pension, it is said to be set out in the item No. 10 of the enclosure to the Annexure N to the Company's written statement, subject to certain provisos. I reproduce the said scale with the provisos in the Appendix B

to the award which also forms a part of my present award. The dispute is disposed of accordingly.

APPENDIX A

In the matter of an industrial dispute between Mackinnon Mackenzie and Co. (Private), Ltd. and its employees represented by Mackinnon's Employees' Association.

PROPOSED TERMS OF AWARD

1. The existing employees of the Company shall on retirement be entitled as of right to pensions which shall no longer be regarded as payable only at the pleasure of the Company.

2. Such pensions shall be payable only out of the Company's current revenues and the Company shall not be bound to make any other provisions out of any of its other resources for the purpose of paying such pensions nor shall it at any time be liable to pay such pensions out of any of its assets other than its current revenues. With a view to establish a pension fund the Company will however investigate the possibility of establishing by contributions out of its current revenues such a fund as will in due course suffice for the payment of pensions on the scales hereinbelow provided to its then existing employees and will report the result of such investigation to the Association, within a period of six months.

3. The scale of pension shall be as set out in item 10 of the enclosure to the Annexure N of the Company's statement, subject to the following provisos:—

(a) The scales of pensions there set out are based on the assumption that the existing salary scales will continue and if at any time dearness or other allowance is consolidated with basic pay the pension will be calculated as if such consolidation or increase had not taken place.

(b) From the amount of monthly pension as so calculated there shall be deducted the amount that would be payable monthly if an annuity were purchased for the retiring employee with the total amount of the Company's contribution standing to his credit in the Provident Fund account and accumulated interest thereon.

4. In respect of of persons who have already retired from the service of the Company or its predecessor, the firm and are at present in receipt of pensions, such pensions shall continue to be paid on the same basis as hithertofore but such pensioners, the Association and its members shall not claim it as of right. The Company however gives an assurance that

it has no intention of discontinuing the payment of such pensions so long as its current revenues permit of such payment.

ANNEXURE

In the matter of an industrial dispute between Messrs. Daga Pictures, Bharat Bhawan, 3 Chittaranjan Avenue, Calcutta-13, and their employee, Shri Nakul Chandra Banerjee, represented by the Bengal Motion Picture Employees' Union, 107 Lower Circular Road, Calcutta-14.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. P. MUKHERJEE, *Judge, Second Industrial Tribunal.*

Appearances:

For the employee: Shri P. K. Nandy, Bar.-at-Law.

For the Company: Shri J. C. Bose, Advocate.

The Government of West Bengal, Labour Department, by its order No. 4018Dis./D/11L-38/56, dated 7th September 1956, referred the above dispute to this Tribunal for adjudication.

The issue as contained in the schedule to the Order of Reference is as follows:—

Whether the Management was justified in discharging Shri Nakul Chandra Banerjee; What relief is he entitled to?

AWARD

The present reference relates to the discharge of Shri Nakul Chandra Banerjee by Messrs. Daga Pictures. The Bengal Motion Picture Employees' Union has taken up the cause of Shri Banerjee. The Union's case in short is that Shri Nakul Chandra Banerjee was appointed office clerk in Messrs. Daga Pictures on 1st February 1955, but all on a sudden he was discharged by the Company. The Company gave him no written notice, nor was any charge-sheet served on him. Even no enquiry was held before he was discharged. It is the version of the Union that Shri Banerjee was disliked by the employer, simply because he joined the Union. Accordingly, his reinstatement with back wages for the period of his forced unemployment has been claimed.

The version of the Company, on the other hand, is that though Shri Nakul Chandra Banerjee was originally an office clerk of this concern, he was made representative from 1st June 1955, and as such he belonged to the supervisory staff. That being so, he was not a "workman" within the meaning of the Industrial Disputes Act, 1947. Regarding merits, it is the case of the Company that as representative, Shri Banerjee visited Gauhati and Shillong, but submitted false travelling bills. In July 1955 he was sent as a representative of the Company to Bhagalpur for show of a picture released by this Company for three weeks at a stretch. But after two weeks of screening of that picture, Shri Banerjee came back to Calcutta with the picture without the permission of the Company, thereby causing loss in Company's business, reputation and prestige. When confronted with all these acts of omissions and commissions on his part, he could not give any explanation, but rather took up an aggressive attitude and went away. Since then, he did not turn up in the Company's office. Accordingly, the Company wanted to say that it was a case of voluntary resignation, and not a case of discharge by the Management.

In the instant case, Shri Nakul Chandra Banerjee has deposed, while on behalf of the Company the Manager gave evidence. Besides oral evidence, some documents were exhibited on both sides and they are Exts. A and A(1) and Ext. 1. On a consideration of the materials and having regard to circumstances and probabilities, the Tribunal is of the view that Shri Banerjee did not himself throw up his job, but he was discharged by the Management. It cannot be believed for a moment that in these hard days an employee like Shri Nakul Chandra Banerjee drawing a pay of Rs. 125 per month would go to relinquish his job of his own accord. The version of the Company in this respect is unworthy of credence. To me, it seems to be an after-thought, and it will be evident so from Ext. 1—a letter addressed by the Manager of this Company to the General Secretary, Bengal Motion Picture Employees' Union, which is dated 13th September 1955. In this letter which was sent in reply, no mention is made that Shri Banerjee gave up his job in this Company of his own accord. On the contrary, it is admitted in this letter by the Management that the services of Shri Banerjee had to be dispensed with from 1st August 1955, because of his unsatisfactory work. So, in the face of what has been stated in this letter, it is now futile for the Company to contend that Shri Banerjee was not discharged by them, but he voluntarily gave up his job. I feel no hesitation in saying that in the instant case, the principles of natural justice were violated. Shri Nakul Chandra Banerjee was not charge-sheeted for his alleged inefficiency or misconduct, nor was he given any opportunity to submit his explanation. No notice was also given to him before discharging him from service. Even, no enquiry was held regarding his alleged inefficiency and misconduct. So, there can be no manner of doubt that the principles of natural justice were violated in his case. It is now well settled that if the rules of natural justice are violated, the Tribunal has the right to go into the merits of the case. The result, therefore, will be that the Tribunal shall have to enter into the merits of the case critically and examine the propriety of the Management's order for discharge. On a careful examination of the evidence—both oral and documentary—I come to the finding that Shri Banerjee was really guilty of misconduct, which merited his discharge from service. Admittedly, as a representative of the Company, he was sent to Gauhati and Shillong from Calcutta on 3rd June 1955 and he reached Shillong direct from Gauhati on 17th June 1955. This fact has also been unequivocally admitted by Shri Banerjee in his evidence. It is also an admitted fact that Shri Banerjee submitted T. A. bills for his journey to Gauhati and Shillong. The Company has produced those T. A. bills, and Shri Banerjee when confronted with these bills in his cross-examination, has admitted them. They are Exts. A and A(1). Now what do these two bills reveal? It appears that for this trip to Gauhati and Shillong from Calcutta, which he completed in one journey, he submitted two seperate T. A. bills—train fare both ways—Calcutta-Gauhati (back) and train fare both ways (Calcutta-Shillong), and received the amount after getting the said bills passed by the Manager. That he submitted false T. A. bills is amply proved from what has been stated above. The Manager has deposed that he passed the T. A. bills as submitted by Shri Banerjee in good faith, but subsequently their Accountant pointed out to him that those T. A. bills were false. What Shri Banerjee did in this respect, is reprehensible, and cannot be given any allowance. Submission of false T. A. bills by an employee is a serious misconduct, and no Company can afford to tolerate this. In my opinion, this misconduct was quite sufficient enough to merit his discharge from the service of the Company. There is another instance of misconduct, which cannot be also overlooked. As a representative of the Company, he was sent to Bhagalpur for screening of a picture released by this Company.

Although there was a contract between the Exhibitor at Bhagalpur and this concern for a show of this picture for three weeks there at a stretch, Shri Banerjee without any permission from his employer left Bhagalpur with the picture after two weeks of its screening. Shri Banerjee in his evidence had to admit that he did not get any permission whatsoever from this Company before leaving Bhagalpur. Therefore, he was not within his rights to leave Bhagalpur without the express permission of this Company, which was the Distributing Company of that picture. The Tribunal is of the opinion that this action on his part amounted to misconduct, which also merited his discharge from service. Undoubtedly, this Company suffered loss both in money and in prestige for cutting short the stipulated period of exhibition of that picture at Bhagalpur. So, on a consideration of the merits of the case, the Tribunal is disposed to hold that the Management was perfectly justified in discharging Shri Nakul Chandra Banerjee, notwithstanding the absence of charge-sheet or written notice asking him to show cause. In the result, the discharge of Shri Banerjee is upheld. As he was discharged for misconduct, he is entitled to no relief. No question of social justice or compensation arises, when an employee is discharged for misconduct or for good and valid reasons. The issue is answered accordingly.

Two legel objections were raised before me by the learned lawyer for the Company in this case. His first contention was that it was an individual dispute, and not an industrial dispute. His second contention was that Shri Banerjee, being a representative of the Company, could not come within the definition of "workman". In view of my findings on the merits of the case, it is not necessary for me to discuss these two legal objections in detail. However, I may say a word or two on the points. As the Union took up the cause of Shri Banerjee and decided to utilise its collective bargaining strength to achieve the result, the individual dispute became an industrial dispute. So, the first legal objection fails. Regarding the second objection, I am of the view as representative of the Company, Shri Banerjee was not required to do manual or clerical work, but his duties were rather of a supervisory nature. That being so, he would not fall within the definition of "workman" under the Industrial Disputes Act, 1947. In a series of authorities, it has been laid down that the question whether or not an employee is a workman, depends upon the nature of the work done by him and the degree of his responsibility. His designation does not matter much. It is also necessary that in order to be a workman, an employee should be doing manual or clerical work for hire or reward. Those who might not possess any directional or controlling powers, may not be workmen, because they are not doing any manual or clerical work. Hence, the second legal objection succeeds. In this view of the matter also, Shri Nakul Chandra Banerjee can have no relief under the Industrial Disputes Act, 1947.

This is my award.

ANNEXURE

In the matter of an industrial dispute between Messrs. Palriwala Brothers Ltd., 14 Netaji Subhas Road, Calcutta-1 and Messrs. Shree Shew Sakti Oil Mills Ltd. (Managing Agents, Palriwala Brothers Ltd.), 153 Upper Circular Road, Calcutta, on the one part and one of their employees, Shri Ramakant Jha, represented by Shew Sakti Oil Mill Mazdoor Congress, 39 Gopi Mohan Dutta Lane, Calcutta. (Case No. VIII-184/55-S.16.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

PRESENT :

SHRI M. C. BANERJI, *District Judge (Retd.), Judge, First Industrial Tribunal.*

The Government of West Bengal, in the Labour Department, by order No. 2631Dis./D/11L-211/55, dated 13th June 1955, referred, under sections 7 and 10 of the Industrial Disputes Act, 1947 (XIV of 1947), the industrial dispute between Messrs. Palriwala Brothers Ltd., 14 Netaji Subhas Road, Calcutta-1, and Messrs. Shree Shew Sakti Oil Mills Ltd. (Managing Agents, Palriwala Brothers Ltd.), 153 Upper Circular Road, Calcutta, on the one part and one of their employees, Shri Ramakant Jha, represented by Shew Sakti Oil Mill Mazdoor Congress, 39 Gopi Mohan Dutta Lane, Calcutta, on the other, regarding the matters specified in the following schedule to this Tribunal for adjudication.

Schedule

(1) Did Ramakant Jha absent himself from duty since 22nd April 1955 voluntarily or he was prevented from attending his duty by the Company? To what relief is he entitled?

(2) What compensation is payable to Ramakant Jha for the period of his absence from 29th December 1954 to 6th April 1955 (less three weeks' absence at the request of the applicant himself) as a result of the order of dismissal issued by the Company on 29th December 1954?

(3) What sum is payable to Shri Jha on account of earned wages for December, 1954 and Provident Fund money at his credit?

The dispute was first referred to the Tribunal by the Government of West Bengal as between the Companies abovementioned on the one part and one of their employees, Shri Ramakant Jha on the other. The order of reference was amended by the Government of West Bengal by a Corrigendum, dated 12th April 1956, by which Shri Ramakant Jha was stated to be represented by Shree Shew Sakti Oil Mills Mazdoor Congress, 39 Gopi Mohan Dutta Lane, Calcutta. In the meantime, on 8th July 1955, Shri Ramakant Jha filed a written statement making various claims on the three items of issues as mentioned in the order of reference. The Companies, by a joint written statement filed on 30th August 1955, opposed the claims of Ramakant Jha and also raised the objection that the dispute, which was referred to the Tribunal between the Companies and Ramakant Jha was not an industrial dispute, but an individual dispute, and as such, the order referring the matter to the Tribunal under section 10 of the Industrial Disputes Act was incompetent. It was also asserted in this written statement that Ramakant Jha was not a workman, as his principal duties were to keep watch and to perform duties in connection with the security of the Company's premises and properties and not to perform any manual or clerical work, as contemplated under section 2(s) of the Industrial Disputes Act. After the amendment of the order of reference by the Government of West Bengal under the Corrigendum, dated 12th April 1956, notices were issued on Shew Sakti Oil Mill Mazdoor Congress, mentioned hereinafter for the sake of brevity as the Union. The Union filed the written statement on 16th August 1956 adopting the written statement filed by Shri Ramakant Jha on 8th July 1956. On 23rd August 1956 the Company filed an additional written statement contesting the right of the Union to represent Ramakant Jha as it purported to do in this proceeding. It was further pleaded that the Corrigendum of the Government, dated 12th April 1956, did not transform the individual dispute in the original order of reference into an industrial dispute and the Union has, therefore, no *locus standi* to file any written statement in this case. The details of written statement of the parties in connection with the issues referred to the Tribunal will be considered at the decision of these issues. In view of the fact that the Company raised the question that the dispute referred to the Tribunal was not an industrial dispute and that Ramakant Jha was not a workman, these questions shall be raised in two additional issues for decision.

The appearances for the parties were as follows :—

For the workman and the Union : Shri J. Pandey.

For the Company : Shri S. C. Sen, Advocate, assisted by Shri D. K. Bhattacharjee, Manager of Shree Shew Sakti Oil Mills Ltd.

The issues that fall for decision in this case are as follows :—

Issues

(1) Did Ramakant Jha absent himself from duty since 22nd April 1955 voluntarily or he was prevented from attending his duty by the Company ? To what relief is he entitled ?

(2) What compensation is payable to Ramakant Jha for the period of his absence from 29th December 1954 to 6th April 1955 (less three weeks' absence at the request of the applicant himself) as a result of the order of dismissal issued by the Company on 29th December 1954 ?

(3) What sum is payable to Shri Jha on account of earned wages for December 1954, and Provident Fund money at his credit ?

(4) Is Ramakant Jha a workman within the meaning of the term in the Industrial Disputes Act ?

(5) Is the dispute that has been referred to the Tribunal for adjudication an industrial dispute ?

AWARD

Decisions

Issue No. 4.—Ramakant Jha was a Jamadar and a member of the Watch and Ward staff. There can be no doubt that his work is manual. It is decided that Ramakant Jha was a workman employed by the Company within the definition of the term in section 2(s) of the Act.

Issue No. 5.—The original order of reference as made on 13th June 1955 clearly show a dispute between the employer and a single employee. By the corrigendum, dated 12th April 1956, the Government stated that the employee Shri Ramakant Jha was represented by Shew Sakti Oil Mill Mazdoor Congress of 39 Gopi Mohan Dutta Lane, Calcutta. The Mazdoor Congress has also appeared in this proceeding and has adopted the written statement filed by the employee.

The learned Advocate for the Companies contended that this representation by the Union was not sufficient to convert the individual dispute on the original order of reference into an industrial dispute. In the case of India Paint, Colour and Varnish Co., Ltd., reported in 1952 L.A.C., 574, the Hon'ble Appellate Tribunal of India observed that when a reference has been made by the Government of a dispute originating with an individual workman, it should be presumed that the Government had materials before it to show that it had become a collective dispute and that, when on such a reference the Union appeared before a Tribunal and stated that it had taken up the case of the workman and appeared for him, it was not a case of the type where the sole disputant was an individual. It has been decided by the Hon'ble Supreme Court of India in the case of Central Provinces Transport Service Ltd., Nagpur *versus* Raghunath Gopal Patwardhan, reported in (1956) XI F.J.R., 299, that the preponderence of judicial opinion was in favour of the view that a dispute between an employer and a single employee cannot *per se* be an industrial dispute but it may become one if it is taken up by the Union or a number of workmen. The decision of the Hon'ble Calcutta High Court in Bilash Chandra Mukherji *versus* Balmer Lawrie & Co. and of the Hon'ble Patna High Court in the New India Assurance Co. *versus* Central Government Industrial Tribunal and other decisions of similar nature were approved by the Hon'ble Supreme Court. It is observed by the Hon'ble Court that although the language of section 2(k) is wide enough to cover a dispute between an employer and a single employee, the scheme of the Industrial Disputes Act does appear to contemplate that the machinery provided therein should be set in motion to settle only disputes which involve the rights of workmen as a class and that a dispute touching the individual rights of a workman was not intended to be the subject of an adjudication under the Act when the same had not been taken up by the Union or a number of workman. In the present case, the dispute between the Companies and Ramakant Jha as a single individual employee was referred by the appropriate Government on 16th June 1955 and the workman, Shri Jha, appeared with a written statement on 8th July 1955. The order of reference was amended on 12th April 1956 showing that Ramakant Jha was represented by Shew Sakti Oil Mill Mazdoor Congress. The Union appeared on 16th August 1956 and adopted the written statement filed by Shri Jha on 8th July 1955. This representation of the workman by the Union was opposed by the Company. In view of the fact, however, that the workman was represented by a Union, I have no doubt that it was an industrial dispute within the meaning of the term in section 2(k) of the Act. This view is justified by the decision of the Hon'ble Supreme Court in the case mentioned above. That being so, it is awarded that the dispute

referred to the Tribunal for adjudication is an industrial dispute within the meaning of the term in section 2(k) of the Act.

Issues Nos. 1, 2 and 3.—These three issues are taken up together, because they are inter-connected. Shri Ramakant Jha states in his written statement that he has been in the employment of the Company since May 1948, and was drawing Rs. 55 per month. He states that the troubles started some time in December 1954, when the Management sought to get rid of him to avoid payment of his retiral benefits and that on 27th December 1954, when Shri Jha presented himself for duty, he was prevented from being marked present. Shri Jha attended office on 28th December 1954 as well but on 29th December 1954 he was given a letter of dismissal. Shri Jha then approached the Assistant Labour Commissioner, Shri A. R. Ghosh. It is stated that in the conciliation proceedings that followed, the Management agreed to reinstate Shri Ramakant Jha on the following terms :—

(i) Shri Ramakant Jha would resume his duties after three weeks from the date of the conference, being 16th March 1955.

(ii) Shri Ramakant Jha would be paid 50 per cent. of his average pay as compensation for the period of unemployment, and the period of unemployment would be treated as lay off (25th December 1954 to 16th March 1955) without break in his service.

(iii) Shri Ramakant Jha would not get any compensation for the three weeks during which he would remain away in connection with his private affairs, i.e., 17th March 1955 to 6th April 1955.

Shri Jha presented himself for resumption of duty on 7th April 1955, which he was allowed to do in the Shew Sakti Oil Mills Ltd. This portion of the episode is involved in the Issue No. 2 of the order of reference. In regard to this part of the story, the Company states as follows :—

Shri Jha was appointed as a Jamadar by Palriwala Brothers Ltd., and was posted at the Head Office at 14 Netaji Subhas Road, with effect from 27th May 1948. It was always the practice and custom of the Company to transfer employees from the Head Office to the Mill and *vice versa*. Messrs. Palriwala Brothers are the Managing Agents of Messrs. Shree Shew Sakti Oil Mills Ltd. The practice of transfer of employees from the Head Office to the Mill and *vice versa* was known to Shri Jha. On account of the exigencies of the Company's work, Shri Jha was transferred from the Head Office to the Mill by a Memo. dated 20th December 1954, directing him to join the Mill on 22nd December 1954. A copy of the Memo. appears as Annexure A to the Company's written statement. On receipt of the instructions for transfer, Shri Jha started grumbling and showed his reluctance to go to the Mill. The Management sent instructions to the Mill that Shri Jha would join the Mill with effect from 22nd December 1954. Shri Jha did not join the Mill, as directed on 22nd December 1954, but appeared before the Head Office on 24th December 1954, with a story that he had been ill, and therefore, could not join his duties on 22nd December 1954 and 23rd December 1954. It was obvious that the story of illness was false. His application was, therefore, rejected and he was verbally instructed to join his duties in the Mill immediately. He, however, did not report to duties. The Management thereupon by its letter, dated 29th December 1954, dismissed him from service. A copy of the letter of dismissal appears as Annexure B to the Company's written statement. On being dismissed, Shri Jha approached the Labour Directorate by his letter, dated 13th January 1955, setting up a false story. A conciliation proceeding was started, and the Management explained the position. The Assistant Labour Commissioner, however, appealed to the Company to condone the laches on the part of Shri Jha and

requested the Company to take him back in service on his reporting to the Mill and to treat the period of his unemployment as lay-off. The Management, however, agreed to take him back, provided he joined at the Mills, but did not express its willingness to pay him any compensation for the days during which he remained unemployed. The matter was kept under consideration with the idea that in case Shri Jha behaved properly in future, the Company would favourably consider the payment as suggested by the Assistant Labour Commissioner. Shri Ramakant Jha joined his duties at the Mill on 7th April 1955.

The next part of the story is related to Issue No. 1. This part is concerned with the period of service of Ramakant Jha at Shri Shew Sakti Oil Mills in the month of April 1955. Shri Ramakant Jha states in his written statement that he continued to work from 7th April 1955 with Messrs. Shree Shew Sakti Oil Mills, where he was allowed to resume duties. He further states that from the date of his resumption of duty on 7th April 1955, he went on pressing for his 29 days' salary due for December 1954, and for compensation money, i.e., half pay from 30th December 1954 to 16th March 1955, as also money due on account of privilege leave accrued but not availed of due to non-sanction by the Management in spite of repeated petitions to that effect. The Manager of the Mill referred him to the Head Office, and with the leave and permission of the Manager, Shri Jha visited the Head Office and prayed for payment of his dues, whereupon he was told that unless the matter was decided by the Directors, no payment would be made. This took place on 16th April 1955. On the same day, Shri Ramakant Jha wrote to the Assistant Labour Commissioner, Government of West Bengal, informing him of the developments. This letter is filed by the Union and marked Ext. 3. On the same day, i.e., 16th April 1955, the Manager called and told Shri Jha that his dues would not be paid unless he apologised for whatever submissions he had made before the Labour Commissioner, as a result whereof he was reinstated, and on the refusal of Shri Jha, he was verbally ordered to be suspended for 3 days. It is stated that in spite of this, Shri Jha presented himself for duty on 17th April 1955 and continued to do so still 22nd April 1955 as usual. On 23rd April 1955 the Hazri Babu told him that he had been suspended till 30th April 1955. Shri Jha continued attending, but he was neither allowed entrance into the factory premises nor was he allowed to mark him attendance. Shri Jha represented the whole story to Shri A. R. Ghosh, Assistant Labour Commissioner on 27th April 1955, who advised him to continue to present himself for duty. The matter was again taken up for conciliation by the Assistant Labour Commissioner and a reference was made to the Tribunal. On Issues Nos. 1 and 2, the employee states that he was dismissed on 29th December 1954 unjustifiably and arbitrarily, that he attended to his duties till 29th December 1954 and was eligible for the wages for the period, i.e., from 1st December 1954 to 29th December 1954. It is further claimed that in view of the matter, Shri Jha was entitled to full wages from 29th December 1954 up to the date when the Company agreed to reinstate him, i.e., 16th March 1955, that the Company locked him out from 22nd April 1955. In the circumstances, Shri Ramakant Jha should be reinstated with retrospective effect with full pay and privileges for the period of unemployment and with continuity of service. As to Issue No. 3, it is stated that Ramakant Jha should be paid his wages up to 29th December 1954, and that an award should be made directing the Company to give to Shri Jha an up-to-date account of his Provident Fund accumulations, so that he may be in a position at all times to know how he stands and what is the amount payable to him.

The Company states in its written statement that after joining his duties on 7th April 1955 at the Mill, Shri Jha started behaving in a manner which clearly showed that he was not willing to work there. He often left the work during working hours without permission and intimation to the authorities. After giving several

verbal warnings, the Mill Manager suspended him by a letter, dated 14th April 1955, copy whereof is marked Annexure "C" to the Company's written statement. On the expiry of the suspension period, Ramakant Jha did not report to the Mill for duties. After waiting for some time, the Company again issued a letter, dated 27th April 1955, informing him that his absence without permission since 22nd April 1955 was a gross misconduct, and it was stated that if he failed to join his duties at once, necessary action would be taken against him. Copy of the letter appears as Annexure D to the written statement of the Company. He did not report for duties, and the Company by its letter, dated 30th April 1955, gave him a final warning to the effect that if he failed to join his duties by 2nd May 1955, he would be treated as dismissed. A copy of the letter is enclosed and is marked Annexure D(1) to the Company's written statement. The Company, therefore, sums up that Ramakant Jha was not entitled to get any relief for his dismissal and his dismissal was just and proper, and Issue No. 1 should be answered in favour of the Company. As to Issue No. 2, the Company states that in view of his conduct after resumption of duty on 7th April 1955, Ramakant Jha should not be allowed any compensation, as suggested by the Assistant Labour Commissioner for the period from 29th December 1954 to 16th March 1955. As to Issue No. 3, it is stated that the Company is willing to pay the employee earned wages and that regarding Provident Fund money, the matter lies with the Trustees of the Provident Fund and not with the Company, and he may apply to the Board of Trustees of the Provident Fund for their action.

Evidence was adduced on both sides. P.W. 1 Shri Ramakant Jha examined himself and was cross-examined by the Company. Documents, Exts. 1, 2 and 3, were proved for the Union. O.P.W. 1 Shri D. K. Bhattacharjee, Manager of Shree Shew Sakti Oil Mills, was examined for the Company and was cross-examined by the Union. Documents, Exts. A to G(2), were marked for the Company. Exhibit 1 is the dismissal letter, dated 29th December 1954, that was received by Ramakant Jha from the Company. Exhibit 1 is the same thing as Ext. G(2). Exhibit G, dated 20th December 1954, is the order transferring Ramakant Jha from the Head Office to the Mills with effect from 22nd December 1954, and Ext. G(1) is the instruction to the Mill Manager to the same effect. It was suggested by the learned spokesman for the Union that Exts. G, G(1) and G(2) were manufactured for the purpose of this case by the Company. It is to be noted that Ext. G(2) is the same as Ext. 1, which was admitted by the employee Ramakant Jha and was produced by him. The suggestion made by the learned spokesman for the Union was denied by O.P.W. 1, and there is nothing on record to show that the suggestion was justified. It is in evidence of O.P.W. 1 that Exts. G, G(1) and G(2) were signed by Mr. Agarwal, an officer who left the service of the Company long ago and within a month of his writing Exts. G, G(1) and G(2). There can be no doubt that Exts. G, G(1) and G(2) are genuine documents, which are supported by Ext. G(2). It is, therefore, decided that Shri Ramakant Jha was served with an order of transfer on 20th December 1954, transferring him to the Mills with effect from 22nd December 1954, and this order was served on him on 20th December 1954. Exhibit A, being the leave application of Ramakant Jha, dated 24th December 1954, shows that he was absent on 22nd December 1954 and 23rd December 1954, and on 24th December 1954 he appeared and filed this leave application for his absence on 22nd December 1954 and 23rd December 1954. This application was rejected by the Company, because as it was an application for sick leave, it should have been supported by a medical certificate, which it was not. The evidence on record justifies the conclusion that Shri Ramakant Jha disobeyed the order of transfer in Ext. G and was, therefore, dismissed on 29th December 1954 by order, Ext. G, being the same thing as Ext. 1. In the conciliation proceeding that followed, the Company agreed to re-employ Shri Ramakant

Jha, if he joined at the Mills, as ordered, and the Assistant Labour Commissioner suggested that he should be paid 50 per cent. of his average pay as compensation for the period of his unemployment and the period of unemployment should be treated as lay-off without any break of service. This period of unemployment was from the date of his dismissal on 29th December 1954 to the date of the conciliation meeting on 16th March 1955. With the consent of the Company, Shri Ramakant Jha was allowed to stay away from work for three weeks in connection with his private affairs. He was to join his duties at the Mills on 7th April 1955, which he actually did.

The story of the service of Ramakant Jha from 7th April 1955 to the date of his dismissal by the letter, Ext. F, dated 30th April 1955, as given by Ramakant Jha is unworthy of acceptance. It simply states that he worked in the Mills peacefully from 7th April 1955 to 16th April 1955 and that, on 16th April 1955 he asked the Manager about the payment of his dues, who referred him to the Head Office and that he visited the Head Office on that day and asked for payment, which he did not receive and that from 16th April 1955 onwards the Manager went on telling Shri Jha that no payments would be made unless he had apologised for whatever submissions he had made to the Labour Commissioner in regard to his dismissal. This part of the story that the Manager ever asked Shri Jha to apologise to him for his having approached the Labour Commissioner in the matter of his dismissal was denied by the Manager, O.P.W. 1 Shri D. K. Bhattacharjee and is improbable in the circumstances of the case. I do not believe that the Manager, after having given him proper directions for realisation of his dues, would go to the length of warning him that this payment would not be made to him, unless he apologised for his conduct of approaching the Labour Directorate. The evidence on record justifies the conclusion that the story given by O.P.W. 1 was correct and acceptable in the circumstances. O.P.W. 1 states on oath that Ramakant Jha worked in the Mills from 7th April 1955 to 12th April 1955 and during this period, he always came late and used to go away without permission and did not carry out orders. On 12th April 1955 he once came to the Mills but remained absent for the whole day. On that day, the Manager gave a notice on the notice board calling for his explanation as to why disciplinary action should not be taken against him. This notice is Ext. C. Ramakant Jha did not attend the Mills on 13th April 1955 but came on 14th April 1955. On that day, he was given the letter, Ext. D, dated 14th April 1955, under certificate of posting after the Manager had called for his explanation verbally telling him about the previous letter to him and also telling him that he would not be excused if he did not give a satisfactory explanation. One copy of Ext. D was sent to the address of Ramakant Jha and the other copy was sent to the Labour Commissioner. By Ext. D, he was suspended for 7 days from 15th April 1955. He was to join on 22nd April 1955, but he did not do so, and on 27th April 1955 the letter, Ext. E, was issued to him warning him that if he did not join immediately, disciplinary action would be taken against him. Exhibit E(1) is the certificate of posting. The address of Ramakant Jha in Ext. E(1) is the same as the address on Ext. A given by himself on his leave application. He did not still join and on 30th April 1955, he was given the final warning that unless he joined by 2nd May 1955, he would be dismissed with effect from 22nd April 1955, i.e., from the date he started absenting himself from his duties without leave. The evidence on record justifies the conclusion that the story given by the Company as to the conduct of Shri Ramakant Jha after he joined the Mills on 7th April 1955 should be accepted.

The plea that Shri Ramakant Jha was prevented from joining his duties by the Company is not justified. It is, therefore, awarded that Shri Ramakant Jha is not entitled to reinstatement to his service. He will be entitled to receive

his wages from 7th April 1955 to 22nd April 1955 and nothing more. Issue No. 1 is accordingly answered.

It is awarded that Shri Ramakant Jha should be paid 50 per cent. of his wages as lay-off compensation for the period from 29th December 1954 to 16th March 1955, in accordance with the suggestion of the Assistant Labour Commissioner. Issue No. 2 is accordingly answered.

Ramakant Jha should not get any wages for the month of December 1954 beyond the 28th. He should be paid his wages from 1st to 28th December. He should be paid also his Provident Fund dues according to the Rules of the Provident Fund. Issue No. 3 is accordingly answered.

ANNEXURE

In the matter of an industrial dispute between Messrs. Kamala Biscuit Company, 113-B Raja Dinendra Street, Calcutta-4 and their eight workmen represented by the Kamala Biscuit Mazdoor Union, 82 Raja Dinendra Street, Calcutta-6.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. P. MUKHERJEE, *Judge, Second Industrial Tribunal.*

Appearances:

For the workmen: Shri S. K. Dhar, Advocate.

For the Company: Shri N. K. Mukherjee, Advocate.

This reference made by the Government of West Bengal, Labour Department, by its order No. 3722Dis./D/11L-99/56, dated 22nd August

1956, relates to the dismissal of eight workmen by Messrs. Kamala Biscuit Company.

The issue as contained in the schedule to the order of reference is as follows:—

Is the dismissal of 8 workmen mentioned below justified? What relief are they entitled to?

(i) Shri Kamalesh Mullick, (ii) Shri Naresh Ahir, (iii) Shri Luxmi Kanta Das, (iv) Shri Harun Ali, (v) Shri Ram Narayan Singh Jadav, (vi) Shri Rasun Ali, (vii) Shri Hari Bhajan Thakur and (viii) Shri Golam Hussain.

AWARD

It is the case of Kamala Biscuit Mazdoor Union, which took up the cause of those 8 workers, that these workers were dismissed wrongfully and arbitrarily for their Union activities. Accordingly, the Union claimed their reinstatement with full compensation from the date of dismissal.

The case of the Company, on the other hand, is that the orders of dismissal of these workers were *bona fide* and justified, and for good reasons, inasmuch as they were guilty of misconduct. They committed acts, which were subversive of discipline, and for these acts, all these workers excepting Ram Narayan Singh Jadav [serial No. (v)] were charge-sheeted and given adequate opportunities to explain their conduct. The Management held enquiries in respect of those charges. After such enquiry, the Management was satisfied that they were guilty of the charges levelled against them, and accordingly dismissed them from service. Regarding Ram Narayan Singh Jadav, the Company's case is that he was a probationer and rendered service in this Company for less than one year. He was not dismissed as alleged, but he himself left the service of the Company of his own accord. Furthermore, he was found guilty of continued absence.

DECISION

All the workmen excepting Harun Ali [serial No. (iv)] have deposed before the Tribunal. On behalf of the Union, certain documents, which are Exts. 1-16 have been filed. The Company, on the other hand, examined 4 witnesses including their Supervisor and Manager. Besides oral evidence, the Company has also placed and proved before the Tribunal several documents, which included charge-sheets and enquiry proceedings. On a consideration of the materials placed before the Tribunal, it is abundantly clear that all the workers excepting Ram Narayan Singh Jadav got charge-sheets issued to them and they were also given ample opportunities to show cause. It further appears that those workers had knowledge of the dates of enquiries to be held in respect of the charges levelled against them. The enquiry proceedings, as produced by the Company, go to demonstrate that enquiries were held in a proper way and statements of witnesses recorded in those enquiries. Accordingly, it cannot be said that there was violation of the principles of natural justice as regards their dismissal from service. Now I shall take up the cases of these 8 workers individually, in order to examine the propriety of their dismissal from service by the Management. The cases of workers Shri Kamalesh Mullick and Shri Harun Ali [serial Nos. (i) and (iv)

respectively] stand on the same footing. The charges levelled against them were as follows:—

(a) That they absented themselves from duty on 19th January 1955 without any information.

(b) That they absented from such duty in a concerted manner.

(c) That they incited other workers on 18th January 1955 to stop work from 19th January 1955.

(d) That they caused stoppage of work of other workers in the chain by remaining absent on 19th January 1955.

(e) That they caused loss to the Management.

(f) That their conduct was subversive of discipline.

Shri Kamalesh Mullick, who deposed before the Tribunal, no doubt denied the charges levelled against him. He wanted to say that he had to absent himself from duty on 19th January 1955, as he had some urgent business in the Labour Office, and for which he sent a leave application. The receipt of such leave application has been denied on oath by the Manager of the Company. Exhibit 1 was produced on behalf of the Union for the first time before the Tribunal at the time of hearing to show that Shri Kamalesh Mullick could not attend his duty on 19th January 1955 on account of an urgent piece of business. As stated already, the receipt of this letter—Ext. 1—has been denied on behalf of the Company. There is nothing tangible to show on the side of the Union that a letter like Ext. 1 was actually addressed by Shri Kamalesh Mullick to the Manager, Kamala Biscuit Company. In my view, this letter (Ext. 1) is a subsequent creation, and it was never sent to the Manager. It is interesting to note that even in this letter, no mention is made that Shri Kamalesh Mullick had sent any application for leave for his absence on 19th January 1955. Even in this document, it is not to be found that he had to attend Labour Office on 19th January 1955. Exhibit 16 is another explanation sent by Shri Kamalesh Mullick to the Manager of the Company. It is dated 29th January 1955. It was admitted on behalf of the Company that they got this explanation only from Shri Mullick. It is curious that even in this document (Ext. 16) it is not mentioned that Shri Mullick had to absent himself from duty on 19th January 1955 for attending the Labour Office, and that he sent an application for leave for that date to the Manager. This goes to show that the version of Shri Mullick of having sent any leave application for 19th January 1955 is an after-thought, and has no legs to stand upon. Shri Harun Ali [serial No. (iv)] also absented himself from duty on 19th January 1955. He did not come forward to give his denial on the point before the Tribunal. The very fact that both Shri Kamalesh Mullick and Shri Harun Ali absented themselves together from duty on 19th January 1955, indicates that they had a pre-arranged plan and acted in a concerted manner in order to cause loss to the Management. From the materials, it appears that Shri Harun Ali too did not send any leave application for his absence on 19th January 1955. From the enquiry proceedings, it appears that both Shri Kamalesh Mullick and Shri Harun Ali incited other workers on 18th January 1955 to stop work, or rather to launch a strike. This is proved from the statement of Shri Ramesh Chandra Saha, who is Supervisor of the factory and also from the evidence of Shri Ganesh Chandra Chatterjee, another workman. Their statements as recorded in the enquiry proceedings reveal that on 18th January 1955 Shri Kamalesh Mullick and Shri Harun Ali were inciting other workers to launch a strike on 19th January 1955, and that on 19th January 1955 they, instead of joining their duties, were found loitering in front of the factory during the working hours and approaching other workers for not

going to work. Such conduct on the part of these two workers was certainly subversive of discipline, which no Management could tolerate. It not only caused stoppage of work, but also caused loss to the Management. So, from the materials the Tribunal is convinced that the Management took a reasonable and possible view on the materials before it, and was justified in dismissing them from service. I am not prepared to hold that the Management was actuated by any *mala fides* or improper motives. It cannot be said that they were dismissed, simply because of their Union activities. There was also no basic error in the findings of the Management in this respect.

Next I will take up the case of Naresh Ahir [serial No. (ii)]. The charges levelled against him were as follows:—

(a) That he absented from duty on 12th February 1955 without leave or permission.

(b) That on 21st February 1955 he along with others obstructed and prevented Shri Nil Krishna Ghosh, a worker, from attending the factory.

(c) That he on 22nd February 1955 abused and insulted the Supervisor, Shri Ramesh Chandra Saha, and threatened him with violence when asked to explain his conduct.

(d) That he caused mischief on 22nd February 1955 to the Company by deliberately damaging some iron trays.

Shri Naresh Ahir no doubt denied before the Tribunal having obstructed Shri Nil Krishna Ghosh from attending the factory. He had also the temerity of saying that he sent an applicaion for leave on 12th February 1955, as he had been to the Labour Office on that date. According to his version, he handed over that application for leave to the Manager. But the Manager has denied this on oath. There is no sufficient materials to show that he sent any application for leave for his absence on 12th February 1955. Two copies of explanations purported to have been given by him to the Manager have been produced by the Union and they are Exts. 4 and 5 respectively. In those documents, it is no doubt stated that he could not attend his duty on 12th February 1955, for which an application was submitted to the Manager for leave. According to the Company, no such explanations like Exts. 4 and 5 were actually received by the Management from Shri Naresh Ahir. My view is that explanations like Exts. 4 and 5 were never sent to the Manager by Shri Ahir, and they were prepared later on for the purpose of this case. Therefore, I am not prepared to place any reliance on Exts. 4 and 5. From the enquiry proceedings, it appears that Shri Nil Krishna Ghosh and Shri Ramesh Chandra Saha made statements before the Enquiring Officer. The statements of these two witnesses go to prove undoubtedly that Shri Naresh Ahir obstructed and prevented Shri Nil Krishna Ghosh from attending the factory on 21st February 1955 and that he also abused and insulted Shri Ramesh Chandra Saha, Supervisor, on 22nd February 1955. It further appears from their statements that some iron trays of the Company were damaged by Shri Ahir. Shri Ramesh Chandra Saha, Supervisor of the Company, made a positive statement that Shri Naresh Ahir in a fit of excitement threw away iron trays on the ground, as a result of which the trays were damaged. A worker, who could behave in such an insolent manner in presence of his superior, can be rightly held to be guilty of misconduct. He adopted an attitude unbecoming a worker of the Company. This attitude was, to say the least, reprehensible. He should have realised that he was first and foremost a worker of the Company and owed a duty to it to answer the questions put to him by the

Supervisor. The Tribunal, on a consideration of the matter, is of the opinion that the Management took a reasonable and possible view on the materials before it in dismissing him from service. It cannot be said also in his case that the Management was actuated by *mala fides* or prompted by any extraneous considerations. There was no basic error too in the finding of the Management in this respect.

As regards Shri Luxmi Kanto Das [serial No. (iii)], the charge against him was that he on 15th January 1955 at about 3 p.m. was found negligent in the discharge of his duties, resulting in temporary stoppage of work in the whole chain of workers to which he was attached, for about 15 minutes—thereby causing loss to the Company. It appears from his Service Record [Ext. I(5)] that he got fresh appointment in this Company on 1st June 1954. His service on 15th January 1955 was less than a year, and as such according to the standing rules of this Company (Ext. M), he was to be treated as a probationer. From the enquiry proceedings, it appears that he did not attend the enquiry proceedings although due notice of the enquiry was given to him. That he was found negligent in the discharge of his duties on 15th January 1955 at about 3 p.m. has been amply proved from the statements of Shri Haripada Sarkar and Shri Ramesh Chandra Saha, who were examined by the Enquiring Officer. Shri Ramesh Chandra Saha made a statement to the effect that Shri Luxmi Kanto Das was negligent on that date and did not attend to his duties at 3 p.m., as a result of which there was stoppage of work for about 15 minutes. Shri Haripada Sarkar also stated that Shri Luxmi Kanto Das was found sitting idle on 15th January 1955. It further appears from the materials placed before the Tribunal that prior to this Shri Luxmi Kanto Das had already been warned thrice for his negligence. Yet, he did not improve, and was found negligent again on 15th January 1955. He was a probationer, and according to the standing rules of the Company, he was liable to be discharged at any time during his probationary period of one year without any notice whatsoever. Yet, the Management was very considerate to him. It held an enquiry in respect of the charges levelled against him, and gave him opportunity to defend his position. But it is curious that he did not think it worthwhile for him to either give any explanation or to attend the enquiry proceedings. The Management is not expected to keep in their service such a worker, who is habitually negligent in his duties. Therefore, the Management was perfectly justified in dismissing him from service. It cannot be said that the Management sacked him, having been prompted by any extraneous considerations.

Regarding Shri Rasun Ali [serial No. (vi)], the charges levelled against him were as follows:—

(a) That he absented himself from duty on 14th February 1955 and 15th February 1955 without leave or permission, thereby causing dislocation of work.

(b) That on 17th February 1955 he prevented Shri Prafulla Kumar Das, a repairing and checking mistry, from starting work in the factory, and threatened him with murder, if he did not leave the factory premises.

(c) That on the same date (17th February 1955), he threatened the said mistry again with violence at his workshop at 97 Belgachia Road, Calcutta, in the evening.

(d) That on the same date (17th February 1955) he threatened Mantu Ghosh, another worker of this Company, on the road with violence, if he did not stop work in this Company.

(e) That on 1st March 1955, when he was asked to do some other alternative job, that is to remove biscuits from iron trays at the finish (which was of an unskilled nature of work), he refused to carry out that order of the Management and left the factory.

(f) That on 2nd March 1955 at about 9-20 a.m. he refused to take up similar work, when so directed by the Management.

Shri Rasun Ali has deposed before this Tribunal that he sent application for his absence on 14th and 15th of February 1955. But the version of the Company is that they did not get any such application for leave from him. It could not be proved on behalf of the Union that such application was actually sent by Rasun Ali, and it was received by the Manager of the Company. Before the Tribunal, a copy of such application, which is Ext. 7, has been produced. Considering the matter, I am of the view that this copy (Ext. 7) has been prepared for the purpose of this case, and that no leave application, in fact, was sent to the Manager by Shri Rasun Ali. No such explanations as contained in Exts. 8, 9 and 10 were also actually sent to the Manager of the Company. It will not be too much if it be said that all these documents have been manufactured for the purpose of this case, as it will be evident from the cross-examination of Rasun Ali himself. He was constrained to admit in his cross-examination that he did not submit any explanation regarding the charges made against him. He denied no doubt in his evidence that he did not threaten Shri Prafulla Kumar Das with murder, nor did he intimidate Mantu Ghosh. But his denial is meaningless, in view of what is found in the enquiry proceedings. I am not prepared to believe having regard to the materials on record, that he was asked to do the work of a coolie as told by him. Though he was called as a mistry, he was in fact an unskilled worker. What he was directed to do as alternative work, cannot be said to be the work of a coolie. In the enquiry proceedings, Mantu Ghosh and Shri Prafulla Kumar Das were examined, and what they have stated fully supports the charge that Rasun Ali threatened and intimidated them on the dates in question. Shri Ramesh Chandra Saha, Supervisor, was also examined and his statement was recorded in the enquiry proceedings. He has stated that on 1st March 1955, Rasun Ali was asked by him to remove biscuits from the iron trays at the finish point, but he refused to do the same, although he did similar work in the past, and the job was also of an unskilled nature. He has further stated that on 2nd March 1955 he was again asked to do similar job, but this time too he refused to carry out that order, and shouted to other workers in an excited mood to come out of the factory. The Enquiring Officer, after proper enquiry, came to a decision that the charges levelled against him were duly proved, and decided to dismiss him. Therefore, he was dismissed. I do not see any reason to interfere with the finding of the Management in this respect. In my view, the Management took a reasonable and possible view on a consideration of the materials before it. So, his dismissal is held to be justified. The Tribunal is not prepared to say that the action of the Management was *mala fide*, or that there was any basic error in its finding.

As regards Shri Hari Bhajan Thakur, the charge levelled against him was that on 25th January 1955 at 6 p.m. he was found carrying with him some quantity of biscuits hidden in his cloth without permission, and was caught red-handed by the Durwan at the gate. In the enquiry that was held, the charge against him was fully proved. The statements of Shri Ramesh Chandra Saha, Supervisor and Shri Boma Singh, Durwan, were taken by the Enquring Officer. The said statements, which are

Exts. F and L, go to prove unmistakably that this worker committed theft of some biscuits from the factory, and was found carrying the same hidden in his cloth. No Company can afford to keep such a dishonest worker in its employ. So, the Management was perfectly justified in dismissing him from their service. The Management took a right and possible decision in this respect, and that decision should not be interfered with. It is also interesting to note that Shri Hari Bhajan Thakur in his evidence before the Tribunal did not and could not deny that he stole biscuits, for which he received a charge-sheet.

Regarding Golam Hussain [serial No. (viii)], the charges against him were as follows:—

(a) That he absented from duty on 14th and 15th February 1955 without leave or permission.

(b) That he absented from duty again without previous application for leave with effect from 4th April 1955.

(c) That he was in the habit of absenting himself in the past without leave or permission.

Shri Golam Hussain has deposed before the Tribunal that for his absence on 14th and 15th February 1955, he sent a leave application to the Manager, and has proved a copy of such leave application, which is Ext. 12. But the Company's version is that no such leave application was actually sent by him or was received by them. He has further deposed that from 4th April 1955 to 23rd April 1955 he had been in his house, and had sent another leave application for that period under certificate of posting. He has also produced a copy of that leave application, which is Ext. 14. It is the contention of the Company that they also did not get any such leave application from him for this period. There is nothing to show that Shri Golam Hussain got any receipt from the Manager when he handed over the leave application for 14th and 15th February 1955 to him. The Manager, who deposed on behalf of the Company, has stated on oath that he did not get any application for leave from Golam Hussain. It appears from the statement of Golam Hussain that he sent his leave application for the period from 4th April 1955 to 23rd April 1955 by post, and that the Manager asked him verbally to avail of the leave. But the Manager has denied this fact on oath. In the circumstances, I am not prepared to place any reliance on Exts. 12 and 14. Exhibit 15 is the certificate of posting, under which an envelope addressed to the Manager, Kamala Biscuit Company, was sent. It cannot be held therefrom with any precision whether under this certificate of posting any leave application for the period from 4th April 1955 to 23rd April 1955 was actually sent by Golam Hussain. It will not be too much if it be said that Exts. 12 and 14 have been fabricated for the purpose of this case. It appears from his Service Record [Ext. I(10)] that he was in the habit of absenting himself from duty without leave or permission on several occasions. So, the Management was perfectly justified in dismissing such a worker, who absented himself in an unauthorised manner and at his sweet will. No Company can afford to keep such a worker in its employ. It further appears from the statement of Shri Ramesh Chandra Saha, Supervisor, made before the Enquiring Officer that in spite of warnings, he continued to absent himself and that the previous warnings had no effect on him. There can be no manner of doubt that such unauthorised and sudden absence of a worker for days together caused not only dislocation of work, but also disturbance in the work of the chain of workers to the detriment of the interest of the Company. Therefore, the Tribunal comes to the conclusion that the decision of the

Management in dismissing him from service was correct. That being so, the Tribunal is not disposed to disturb the dismissal of Golam Hussain as made by the Management. So, his dismissal is upheld—as being *bona fide* and justified.

Now remains the case of Shri Ram Narayan Singh Jadav [serial No. (v)]. Admittedly, he was not charge-sheeted, nor was any enquiry held in respect of his case. The Company's specific case is that he was a probationer, as he rendered service in this Company for less than one year, and that he left the service of the Company in April 1955 and went away of his own accord. Shri Jadav has admitted in his evidence that he worked in this Company for one year, but he went home on leave, and again he sent an application for leave by registered post from his native place. In other words, he denied that he had left his service of his own accord. Exhibit 6 is a copy of the leave application alleged to have been made by him for the period from 25th April 1955 to 24th May 1955. Exhibit 6(a) is the certificate of posting under which that leave application is said to have been sent. Exhibit 6(b) is a copy of another leave application said to have been addressed to the Manager, Kamala Biscuit Company, by this worker—praying for leave from 8th June 1955 to 25th June 1955. Exhibit 6 (c) is a postal registration receipt. The Company's version is that they did not get such leave application from Shri Ram Narayan Singh Jadav. I have grave doubts as to whether any leave application like Ext. 6 was at all sent by Shri Jadav on 12th April 1955. The postal seals in the certificate of posting are blurred, and from those seals, the date of posting cannot be deciphered. Even if it be assumed that an application like Ext. 6(b) was sent by registered post to the Manager of the Company, the fact remains that Shri Jadav absented himself from duty without any notice or intimation from 25th April 1955 to 7th June 1955. Such unauthorised absence for a pretty long time has not been explained. There is nothing to prove conclusively that Shri Jadav applied for leave for the period from 25th April 1955 to 7th June 1955. From Ext. 6(b), it appears that he only applied for leave from 8th June 1955 to 28th June 1955. So, on a consideration of the matter, the Tribunal is satisfied that he went way of his own accord from 25th April 1955, and without giving any intimation whatsoever to the Management in this respect. Such a long unauthorised absence on the part of a worker, who was a probationer, was in all fairness likely to be construed by the Management that this worker had no charm for the service of this Company, and that he had therefore, left the job of his own accord. The Management had in the circumstances ample justification for coming to the conclusion that this worker had left the service of the Company of his own accord. So, on a consideration of the matter, the Tribunal is disposed to hold that Shri Ram Narayan Singh Jadav was not dismissed by the Company, but he himself left his service of his own accord. That being so, his case is out of bounds of the Industrial Disputes Act. Accordingly, he is entitled to no relief whatsoever.

In the result, it is decided by the Tribunal that the dismissal of these 8 workers was justified, and that they are not entitled to get any relief whatsoever.

In parting, I may observe that it has been held in Buckingham & Carnatic Company's case (1952 L.A.C., page 490) that an Industrial Tribunal should not sit in appeal over the decision of the Management in the matter of termination of services of employees unless (a) there was want of *bona fides* on the part of the Management or (b) there was victimisation or unfair labour practice or violation of the principles of natural justice or (c) there was basic error on the facts or (d) there was perverse

finding on the materials available to the Management. Bearing in mind the principles as enunciated above, the Tribunal is satisfied on a searching scrutiny that in the instant case, there was no want of *bona fides* on the part of the Management, nor was there any victimisation or unfair labour practice or violation of the principles of natural justice. It cannot be said that there was also basic error on the facts or perverse finding on the materials available to the Management. The decision of the Management in dismissing these workers was the possible and reasonable view on the evidence before it. In such circumstances, the Tribunal should refrain from substituting its own judgment for the judgment of the Management, as in such matters, the Tribunal does not act like a Court of Appeal, but rather as a Supervisory Body.

In the matter of an application under section 33A of the Industrial Disputes Act, filed by Shri Narsingh Tewari, C/o Messrs. Jaysree Textile Mazdoor Union in connection with an industrial dispute between Messrs. Jaysree Textile, Ltd. and their workmen referred under Government order No. 689Dis., dated 20th February 1956 (Case No. 120 of 1956).

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Suprobhat Mukherjee.

For the Company: Shri S. C. Mukherjee with Shri D. C. Ghatak, Assistant Manager of the Company.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act by Shri Narsingh Tewari, a workman, against his employers Messrs. Jaysree Textile, Limited, Rishra (hereinafter called the Company), in which he alleged, among other things, that he was a permanent workman, that he was on leave for 45 days from 9th January 1956 and that he applied for its extension on the ground of his own illness, by telegram and registered letter supported by medical certificate, from his village address but the Company acted illegally in informing him on 19th March 1956 that his name had been struck off from the rolls for overstaying the leave. This was done without express permission from the Tribunal where an industrial dispute between the parties was pending at the time. He was victimised for being a member of the Executive Committee of the Majdoor Union and one of the leading organisers of the same. He asked for suitable relief in the case.

The Company denied the allegations in the complaint and stated that the complainant lost his lien on service automatically under the Standing Orders for having overstayed the period of leave granted to him and that his application was, therefore, not maintainable.

Points for decisions are—

(1) Is the application maintainable?

(2) Whether the act complained of is justified?

(3) To what relief the complainant is entitled?

Points (1 to 3).

Shri S. C. Mukherjee, appearing on behalf of the Company, contends, on the authority of a case, Sahajan *versus* A. Firpo Company, Limited, reported in 1954, L.A.C., page 240, that the provisions of section 33 of the Industrial Disputes Act are not attracted to the facts of this case as the services of the workman automatically terminated for overstaying his leave and, therefore, there was no contravention of section 33 of the Act. The workman's case, on the other hand, is that he applied for extension of leave, originally granted to him, in due time and being ill at home had nothing more to do in the matter. Therefore, the Company's action in removing his name from the rolls and thereby virtually terminating his services without the permission of the Tribunal was an act of violation of section 33. Accordingly the case relied on by Shri Mukherjee has no

application. Question, therefore, is whether in fact, the workman overstayed his leave without reasonable ground and whether he has been discharged from service by striking his name from the Muster Rolls.

Emphasis was laid on that part of the Standing Orders which says that by continued absence beyond the period of sanctioned leave, the employee loses his lien on his appointment, and in that sense the disputed termination of service is automatic. One may voluntarily abandon any legal claim to a right, in a lawful manner, or may forfeit it, by his own conduct. Such conduct must be deliberate and must unequivocally show his clear intention sufficient to forego it. And an act, which is neither deliberate, nor within one's control and power can never amount to such conduct. Law will, however, presume in the continued existence of the lien till the contrary is established by proved facts. This takes us to the examination of facts of this case.

Shri Narsingh Tewari was granted leave for 45 days. It expired on 22nd February 1956. He did not report to duty on 23rd February 1956, but 25 days thereafter. Evidently, he stayed beyond the period of leave originally granted to him. Shri Narsingh Tewari's brother Shri Suraj Tewari, also an employee working in the same department with him, under this Company and Shri Ghatak, Assistant Manager of the Mills in service of the Company deposed on this point. Shri Narsingh Tewari's evidence is that he fell ill, on the night of the 20th February and sent a telegram asking for extension of leave by 25 days on the ground of his illness. This was received in the Office of the Company duly. On 29th February 1956, within 6 days of the expiry of the leave originally granted, he sent a registered petition for extension of leave supported by a medical certificate. This appears to have been delivered on 1st March next and the office notice shows that it was received there on 2nd March. Shri Suraj Tewari made anxious enquiries from the Engineer in charge, the Labour Officer and the Assistant Manager himself regarding his brother's leave. This fact is admitted by Shri Ghatak, the Assistant Manager. He could not remember of the date of this enquiry. In the mean time, the Management informed Shri Narsingh Tewari by a letter, dated 5th/6th March next that his name was removed from the Muster Rolls due to his absence after 22nd (Ext. B). Shri Narsingh Tewari reported to duty 25 days after with a certificate of fitness from his medical attendant. He was spending his leave in his own village in Behar where, according to him, he fell ill towards the close of his sanctioned leave. It appears from the copy of the letter, Ext. B, that Management did not consider his telegram and his petition for extension of leave before removing his name from the Muster Roll. This they did, it is now alleged, under Standing Orders 8(v) which is to this effect—

Standing Orders for the Workmen

8(v) "If any workman remains absent beyond the period of leave originally granted or subsequently extended he shall lose his lien on his appointment unless he returns within 8 days of the expiry of leave and gives explanation of his inability to return before the expiry of leave to the satisfaction of the authority granting leave."

The fact of illness is not seriously challenged in this case. In fact, the evidence on this point is one sided, and there is nothing to disbelieve it. Now, the question is whether in these circumstances, the Management is justified in removing Shri Narsingh Tewari's name from the Muster Roll and thereby removing him from the service. Is the conduct of the employee, who fell ill at home, in a distant village of Behar such as would

result in his losing lien of his appointment under the Standing Orders quoted above? Lien is a legal claim which a permanent employee acquires on his post. He does not lose it when he is on leave. In this case the Standing Orders 8(v) does not apply to its facts, as established by evidence. In fact, there is nothing to show that the Management has taken into the consideration the explanation of absence offered by the employee. The Management had full discretion in the matter either to accept the explanation as satisfactory, or to reject it. In a special case, under the Standing Orders 8(vii), the Manager may sanction leave for a period exceeding one month. In my judgment, there is nothing in the conduct of the employee which can be said to automatically forfeit his lien on appointment. He could not have done anything better than what he did in this case. Unfortunately, his letter was opened in the office a day after 8 days from the date of expiry of leave. The Management did not make any effort to trace the name of the sender of the telegram, even when Shri Narsingh Tewari's brother Shri Suraj Tewari made enquiries from the departmental head. All these go to establish the complainant's story. Accordingly, the action taken by the Management in removing the complainant's name from the Muster Roll and thereby terminating his service, without the permission of this Tribunal cannot be supported as justified under the Standing Orders. The Management did not in actual fact, act under the authority of the Standing Orders. It cannot, therefore, be said that Shri Narsingh Tewari did overstay his leave without explanation of his action so as to make himself liable for loss of lien to his post. The ruling cited by Shri Mukherjee is, therefore, distinguishable on facts.

The employee, as appears from the evidence, is a member of the Executive Committee of the Union, and as such actively participated in the Union affairs. The plea that he was victimised for his union activities appears *prima facie* established. There is want of *bona fides* on the side of the Management, inasmuch as it decided to take action, under the Standing Orders, without considering the explanation of absence submitted by the employee. The result is that it terminated the services of the employee by removing his name from the Muster Roll without the express permission of the Tribunal. This action is hardly consistent with a case of automatic termination of service due to the employee's own conduct. In the circumstances of the case it cannot be said, that the Standing Order operated by itself and that the act and conduct of the employee did amount to abandonment or forfeiture of lien of his job. The complaint is, therefore, maintainable, and the act complained of is unjustified.

The normal relief, in a case like this, should be one of reinstatement with all wages and allowances for the entire period of unemployment. But then, in this case, a part of the period in question, is covered by leave sanctioned by the Company and a part asked for by the employee himself. Further, there has been extra expenditure, on the side of the Management, in making alternative arrangement of a substitute in the place of the absent employee and the delay that took place in disposing this matter is not solely due to the parties concerned. Therefore, the relief to which Shri Tewari is entitled and allowed is reinstatement in service without break in its continuity. He would be on leave for $45+25=70$ days from 9th January 1956. The remaining period of his absence will be treated as on leave with $\frac{1}{4}$ of his basic pay and allowances. He will report himself to duty to his former post within a week from the date of the publication of the award. The dues should be paid to him within a month from the date

of his joining his post. The application is, therefore, allowed. This is my award.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the Union: Shri Suprabhat Mukherjee.

For the Company: Shri P. R. Mukherjee.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act by Shri Durga Prosad Singh, a Driver, against the employers, Messrs. Sur & Co. (hereinafter called the Company) for wrongfully terminating his service by a notice on 12th December 1955 without the permission of this Tribunal, where a dispute between the parties was pending at the time. Shri Singh asked for reinstatement and other relief.

The Company contests this case mainly on the ground that this complaint is not maintainable for there has not been any violation of the provisions of section 33 of the Industrial Disputes Act.

Point for decision is:

(*i*) Is the complaint maintainable?

[**Point (i)**].—The following facts are established in this case either on admission or on undisputed evidence on both sides. The workmen including the complainant struck work on 7th September 1955 without any previous notice to the Management. They remained in the factory premises till removed by the police at 8 in the night. Apprehending violence and damage to factory properties, the Company declared a lock-out the next day. On 28th September 1955, the Management closed the factory finally and terminated the services of all the employees including the complainant with immediate effect. On 7th December next, the factory was re-opened and a notice of that date directed all the workers to join on 12th December 1955. This was done pursuant to a settlement made by the Conciliation Officer. On 12th December, all the workers were taken in excepting the complainant, Shri Singh. The notice, dated the 12th December 1955, Ext. I, said that Shri Durga Prosad Singh would not be employed *at this stage*.

Shri Singh, however, understood this to be an order of termination of his service and filed this complaint. In paragraph 7 of the written statement, the Management stated that Shri Singh had not been discharged nor re-appointed after the factory re-opened. At best it is a case of lock-out. Shri P. R. Mukherjee, on behalf of the Company, repeated the statement in the Tribunal and contended that in that view of the matter the complaint is not maintainable, for there is neither any alteration in the condition of the service nor there has been any discharge or dismissal from service. In the above circumstances, it is clear that the service of the complainant had not been terminated nor there had been any alteration in the condition of the service. The legal position is now clear. It is a case of lock-out. It was a case of lock-out after the strike and the lock-out was lifted only on 12th December when the factory re-opened. Shri Singh was, however, not allowed to re-join his duties. No reason has been assigned for that. Lock-out is not a contravention of section 33, Clive Jute Mills, 1951, Vol. II, L.L.J., page 344. The Hon'ble Supreme Court in the case of Laksmi Devi Sugar Mills Limited reported in 1956-57, II F.J.R., page 273, held "a Lock-out does not amount to any alteration in the condition of the service under which the workmen are employed". Therefore, there has not been any contravention of section 33 of the Industrial Disputes Act in this case and the complaint is not maintainable. Accordingly, this complaint is dismissed.

6. The Accountant-General, West Bengal, shall within three months after the close of each quarter, pay to the Board of Trustees constituted under the Howrah Improvement Act, 1956, so much of the duty shown in the said consolidated account as represents the increase of duty imposed by section 92 of the said Act.

West Dinajpur.—No. 10295/M.2P-16/56.—17th December 1956.—Whereas the Commissioners of the Raiganj Municipality in the district of West Dinajpur have made the following rule under sub-section (1) of section 69 of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932) and have applied to the State Government for confirmation of the said rule under section 506 of the said Act;

And whereas—

(a) notice of the intention to apply for such confirmation of the said rule has been duly given one month before the making of the application for confirmation as required under clause (i) of sub-section (2) of section 506 of the said Act, and

(b) for one month before the making of the application a copy of the said rule has been kept at the office of the Commissioners of the said municipality and has been open during office hours thereat to the inspection of the inhabitants of the said municipality, without fee, as required by clause (ii) of sub-section (2) of section 506 of the said Act;

Now, therefore, the Governor is pleased, in exercise of the power conferred by section 69(1)(c) of the Bengal Municipal Act, 1932 (Bengal Act XV of 1932), to approve and in exercise of the powers conferred by section 506 of the said Act, to confirm the following rule, namely:—

Rules for the management of Provident Funds maintained by the Raiganj Municipality.

1. In the following rules—

(a) Salary shall comprise monthly substantive salary or any allowance drawn during leave of any kind and includes acting, charge, personal or deputation allowance, if any, but shall not include local or travelling allowance.

(b) "Servant" includes every non-pensionable employee holding a substantive appointment under the municipality but excludes those who are or may in future be treated by Government as non-pensionable if in Government service:

Provided that the persons to whom the existing pension and gratuity rules issued under Government circular No. 16L.S.G., dated the 19th March 1903, are applicable, may in lieu of enjoying the benefits of these rules elect to come under the Provident Fund rules at their option. The option once exercised shall be final:

Provided further that all officers in temporary service are, with the consent of the municipality embodied in a formal resolution at a meeting, eligible to subscribe to the fund, if they have been employed or, in the opinion of the municipality, are likely to be employed for at least three years:

Provided also that persons appointed on probation to substantive appointments or appointed to officiate in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service may, if they are confirmed without

interruption, be allowed to join the Provident Fund with retrospective effect from the date of their joining the service. The monthly subscriptions to the fund shall not, in such a case be less than 10 per cent. on the salary of the officer till all arrear subscriptions are paid up:

Provided further that a servant, while on temporary transfer to service under some other local fund or Government may also subscribe to the Provident Fund.

((c) "Depositor" means a servant on whose behalf a deposit is made under these rules.

(d) "Interest" means the interest which is paid on a deposit at a Government Savings Bank under the rules in force for such institution and includes that allowed on Government and other securities.

(e) "Due notice of resignation of appointment" means—

(i) in the case of servants drawing Rs. 200 a month and over, three months, and

(ii) in the case of all other servants, one month.

2. *Rate and realisation of subscriptions.*—Every servant shall be required to subscribe at the rate of 1 anna in the rupee on his salary to a Provident Fund, of which an account will be opened at the Post Office Savings Bank. This deduction shall be made by the municipality upon every salary bill presented and the net salary only shall be paid to the servant. In making this deduction fractions of a rupee of salary should be omitted. The subscription of a servant while on temporary transfer to service under some Local Fund or Government, shall be calculated on his assumed pay and it will be the duty of the servant on transfer to remit the subscription to his original employer for credit to the Provident Fund.

A servant who desires to subscribe during leave must notify his intention beforehand, in order to allow of the deductions from his leave allowances being noted in his leave and pay certificate. He will not be permitted to discontinue subscribing during leave.

A servant who fails to notify his intention to continue to subscribe, when proceeding on leave, can subsequently pay his subscription in cash.

3. *Prohibition of voluntary deposits.*—No voluntary deposits from servants will be credited to the Provident Fund.

4. *Subscription during leave and suspension.*—Subscriptions on leave of any kind will be optional. They will be calculated on the allowances admissible during leave.

A servant on reinstatement, after a period passed under suspension, may be allowed the option of subscribing for that period. In the case of a servant who exercises the option of subscribing to the Fund during leave without allowances or on reinstatement after a period passed under suspension without allowances, it is left to the discretion of the Chairman to determine in each case the amount on which subscription should be paid, the general principle to be observed being that the subscription should be calculated on half the salary last drawn by the servant before he proceeded on leave without allowances, or was placed under suspension without allowances.

5. *Contribution by the municipality to deposit account of each servant.*— It shall be competent to the municipality to make contribution to the deposit account of each servant equal to, but not exceeding, the deduction one half on the deduction made from his salary under rule 2. Provided that, if the total of the contribution shown in the bill on which a remittance is made to the Savings Bank contains a fraction of a rupee, it shall be increased to the next highest rupee by an addition to the bill of the difference between this fraction and unity. These provisional increases in the contribution will be shown in the abstract of balance until adjusted at the close of the year (see rules 20 and 21 below) but they will not appear in the depositor's ledger accounts.

No contribution shall be made by the municipality on the subscription paid by the depositor for any period during which he had been on suspension as a penalty for misconduct or other offences.

It will be optional with the municipality to contribute for an employee while on temporary transfer to service under some other Local Fund or Government.

5A. *Additional contribution.*—(1) When any servant retires or dies who has subscribed to the Provident Fund and has, for not less than 15 years, rendered continuous good service, the Commissioners may grant to him or to his estate from the municipal fund an additional contribution which should, if the finances of the Commissioners permit be calculated at the rate of half a month's pay for each complete year of service rendered by him, subject to a maximum of 15 months' pay:

Provided that the Commissioners at a meeting shall be competent to pay the additional contribution with the sanction of Government if the period of service of an employee falls short of 15 years by not more than one year.

(2) If such servant has died before retirement or after retirement but before receiving the contribution, the contribution shall be paid in the manner laid down in rule 14.

(3) For the purpose of this rule—

(a) "Retirement" means retirement—

(i) on attaining the age of 55,

(ii) at a later age, if an extension of service has been duly sanctioned, and

(iii) at an earlier age, on account of physical unfitness, illness, abolition of an appointment or any other reason considered adequate by the Commissioners provided that, if the retirement be voluntary retirement or resignation, it must be with the consent and approval of the authority empowered to appoint the servant.

(b) "Continuous service" includes any authorised leave of absence whether with or without allowances and any overstayal of leave that was condoned at the time by the Commissioners.

(c) "Pay" means substantive pay (*i.e.*, the pay other than special pay, personal pay or other emoluments classed as pay) to which an employee is entitled on account of a post to which he has been appointed substantively or by reason of his substantive position in a cadre.

(d) when the complete years of service rendered are being calculated, period spent on leave other than privilege leave or leave on full average pay shall be excluded.

(4) An additional contribution cannot be claimed by a subscriber to the Provident Fund as a matter of right. It should be granted at the discretion of the Commissioners only to those subscribers whom they consider deserving.

6. *Investment.*—The deductions under rule 2 and the contribution under rule 5 shall be paid to the Post Master for credit to the account of the Provident Fund in the Savings Bank. The payment of the deduction shall be debited in the accounts to the same head as the salary and the contributions shall be charged to the service head "Miscellaneous" sub-head "Provident Fund Contributions". The remittance to the Savings Bank should whenever possible be made between the 1st and 4th of each month in order that interest may accrue for the month of deposit.

7. (1) Deposits on account of the Provident Fund of the Local Fund employees may be made under rule 44(c) of the Savings Bank Rules (see Indian Postal Guide, April 1917); the usual limitations of the total amount at credit of each account do not apply to such deposits [rule 44(g)]. When the investment of any portion of the amount of the balance at credit of the account is found desirable, the amount shall, on application by the Chairman, be withdrawn, and the investment shall be made either through the postal authorities or through other agencies as may be deemed convenient by the Chairman, in Government Loans, Municipal Debentures or Port Trust Bonds of Calcutta, Bombay, or Madras, or in fixed deposit in the State Bank of India or in a Co-operative Bank specially approved for the purpose of the Registrar of Co-operative Societies, provided that in the case of investment in a Co-operative Bank at least three-fourths of the subscribers are in favour of such investment.

(2) The interest will be drawn by the Post Office in the case of investment through postal authorities or by the Chairman in case of investment through other agencies and credited in the Savings Bank account.

(3) The actual cost of purchase of such securities or the amount of such fixed deposits shall be added to the balance in the Savings Bank to obtain the total balance of the Provident Fund ledger. When any such securities are sold or any loss of such fixed deposits is caused by the failure of the Bank in which such deposits are made, the net gain or loss shall be added to or deducted from the next excess interest calculated for that year [see rule 21(1)] before apportioning such interest among the depositors as set forth in that rule.

8. *Advances for special purpose.*—(1) No final withdrawal will be allowed until the depositor quits the service or dies; but when the pecuniary circumstances of a depositor are such that the indulgence is absolutely necessary, a temporary advance may be allowed from the sum at his credit with the sanction of the Chairman of the municipality when the depositor draws a salary below Rs. 50 and that of the Commissioners of the municipality at a meeting when his salary is Rs. 50 or over. Such an advance shall not exceed the amount subscribed by the depositor, except in special cases, *e.g.*, when the necessity for the advance is great and the sum subscribed by him is insufficient for the expense to be incurred.

(2) The following are examples of occasions on which the grant of advances may be considered, provided the circumstances are exceptional:—

(a) to pay expenses incurred in connection with the illness of a depositor or any of his dependants;

(b) to pay for the passage of any dependant of a depositor coming from beyond the sea to join him, or requiring to make a journey beyond the sea for some urgent cause, and

(c) to pay expenses in connection with marriages, funerals or ceremonies which by the religion of the depositor it is incumbent upon him to perform, and in connection with which it is obligatory, that expenditure should be incurred.

Note.—Advances though not confined rigidly to the objects laid down in clauses (a) to (c) above should be made with due regard to the principle expressed in clause (1) of this rule as illustrated by the foregoing examples. The order sanctioning the advance should state the specific purpose for which the advance is granted.

(3) Advances will be recovered at the discretion of the authority sanctioning them, in not less than 12 instalments or more than 24. A depositor may, however, at his option make repayment in less than 12 instalments or may repay two or more instalments at the same time. Recoveries will commence from the first payment of the full month's salary after the advance is granted, or (in the case of advances to an officer going on leave) after the officer's return from leave. The instalments will be paid by compulsory deduction from salary, and will be in addition to the usual subscription:

Provided that if in the opinion of the Chairman of the municipality the recovery of an ordinary advance in 24 instalments is likely to cause excessive hardship, recovery may be made in not more than 36 instalments with the sanction of the Commissioner of the Division in the case of a district board and of the District Magistrate in case of a municipality.

(4) When an advance is paid to a depositor in excess of the amount shown against him in column 9 of the Provident Fund ledger (a portion of his sum having been invested in postal cash certificates), a minus balance should be shown in red ink in column 9 till it is wiped off by subsequent payment of subscription, contribution, etc.; and similarly a minus entry in red ink should be made in column 12 of the ledger for interest at 2½ per cent., or at such rate as may be allowed at the time by the Post Office Savings Bank on the debit balance in column 9. If, however, the advance is to be paid by the sale of a portion of the investment either in Government promissory notes, was bonds or postal cash certificates, etc., the loss, if any, by his sale should be recovered from the depositor taking the advance.

(5) When an advance is repayable as regards principal in not more than 12 instalments, an additional instalment representing interest and equivalent to 3 per cent. of the total amount of the advance should be paid in the month following that in which the last instalment is paid. Similarly two additional instalments representing interest each equivalent to 3 per cent. of the total amount of the advance should be paid when the advance is repayable in more than 12 instalments. In either case, the instalment of interest, when realised, should be credited to the account of the depositor himself.

8A. In the following cases a depositor may be permitted to withdraw the deposits up to 90 per cent. of his own subscription with interest at his credit before the actual date of his retirement on the conditions laid down against each:—

(1) A subscriber proceeding on leave preparatory to retirement, at any time between the date of his proceeding on leave and the date of retirement, subject, however, to the condition that he will be required, should he return to duty at the end of his leave to repay to the bond in one or more instalments the whole amount withdrawn by him with interest thereon, unless his active service actually terminates within six months.

(2) A subscriber who produces a medical certificate of incapacity for further service, at any time between the date of his producing such certificate and the date of retirement.

In both the cases referred to above the previous sanction of the Commissioners at a meeting should be obtained and no refund shall be made until the Chairman after due enquiry certifies that no dues are outstanding against the depositor.

9. *Withdrawals on retirement.*—(1) When a depositor in permanent employ ceases to be a servant of the municipality by resignation, retirement, reduction of establishment, or by permanent transfer to service under some other local fund or to Government service, the Commissioners of the municipality at a meeting shall cause the amount standing to his credit (*i.e.*, the deposits and contributions with interest thereon) to be withdrawn and subject to rule 17, to be handed over to him, unless the municipality has received notice of an assignment made before the 18th February 1928 affecting the disposal of the amount or any portion of it. Should such notice have been received the municipality will hand over to the depositor only that portion of the amount which is not affected by the assignment or by the operation of rule 17 and will dispose of the balance after taking the opinion of the Legal Remembrancer through the District Officer:

Provided that in the event of a depositor being directly appointed by the Local Government as Assistant Director of Public Health or Director of Public Health Laboratory, the amount standing to his credit in the Provident Fund maintained by the municipal Commissioners may, if he so desires, be transferred to his credit in the Contributory Provident Fund maintained by the Local Government.

(2) A depositor holding a temporary appointment may, subject to the same conditions, either withdraw the amount on the termination of his appointment or leave it in the Fund to be withdrawn at the time he finally quits the service.

(3) If in the opinion of the Chairman of the municipality the withdrawal of interest from the Savings Bank would unduly trench upon the deposits at credit of the other depositors, the interest shall not be paid at once from the Provident Fund, but be temporarily advanced from the funds of the municipality. The advance shall be adjusted when the difference between the total of the ledger balances and the balance of the Provident Fund in the Pass Book may be withdrawn from the Savings Bank under rule 21.

(4) In the case of final withdrawal of the entire balance standing to the credit of a depositor on retirement or otherwise, the fraction of a rupee, if

any may be advanced temporarily from the funds of the municipality. The advance shall be adjusted when the difference between the total of the ledger balance and the balance of the provident fund in the pass book may be withdrawn from the Savings Bank under rule 21.

10. *Disposal on depositor's death.*—Each depositor will, as soon after he joins the Fund as possible, be called upon by the Chairman of the municipality to furnish a "Form of Declaration" showing how he wishes the amount of his accumulations to be disposed of on his death. A specimen of this form will be found at the end of these rules.

11. An adopted child shall be considered to be a child for the purpose of these rules when, under the personal law of the depositor, adoption is legally recognised as conferring the status of a natural child but in his case only. If doubts arise in an individual case, the municipality will take the opinion of the Legal Remembrancer through the District Officer and his opinion shall be final for the purposes of these rules. A declaration in favour of an adopted child is made at the depositor's risk and can be challenged at any time.

12. A depositor may in his declaration provide for the distribution of a portion only of the amount. Thus the Form of Declaration may mention a specific sum or a specific proportion of the total amount. The disposal of the balance will be governed by rule 14.

Any Form of Declaration submitted by a depositor is revocable at any time and from time to time. A fresh declaration shall, subject to rule 13, be operative only on being received by the Chairman of the municipality. On a depositor's marriage or re-marriage, any declaration already submitted by him will forthwith become null and void and, unless a revised Form of Declaration is received, the amount of his accumulations will be dealt with under rule 14.

If minors are nominated in a Form of Declaration, the person or persons to whom sums intended for their benefit are to be paid, should be stated in the Form of Declaration.

13. In the event of the depositor having a dependant, he is not permitted in his Form of Declaration to leave the amount of his accumulations or any part of it to any one who is not his dependant. Where a Form of Declaration purports to leave money otherwise than to a depositor's dependant, the Chairman of the municipality shall call upon the depositor to state whether he has a dependant, and if it is found that he has one, the Form of Declaration shall not be accepted. A depositor who has dependants has absolute discretion regarding the distribution of the amount at his credit at the time of his death among those dependants. He may exclude any one or more of them in favour of another or others of them and the manner in which the distribution is to be made among them is also within his absolute discretion.

14. The disposal of the balances at credit of deceased depositors is regulated by section 4(1) of the Provident Funds Act, 1925.

15. Cancelled.

16. The municipality will not be bound by, or recognise, any assignment or encumbrance executed or attempted to be created which affects the disposal of the accumulations of a depositor who dies before retirement.

17. *Withdrawal of contribution and deduction from deposit.*—If a servant is dismissed or removed or called upon to resign on account of mis-

conduct or inefficiency or resigns without due notice, or is made liable for any losses, damages, costs and expenses which the municipality may at any time pay, sustain or be put to by reason of any act of embezzlement or default of or by such servant, the municipality may, with the sanction of the Commissioner of the Division, withhold all or any part of the contribution allotted to him with the interest accrued thereon and pay to the servant only the balance to his credit without such contribution and the interest thereon. If a servant is permitted to resign under any other circumstances than those mentioned in the last sentence before he has rendered five years' complete service, the municipality may, with the sanction of the Commissioner of the Division, withhold a portion of the contribution allotted to him with interest bearing the same ratio to the whole amount so contributed with interest thereon, as the number of years required to complete a service of five years bears to five years.

18. Cancelled.

19. Any contribution and interest thereon withheld from a servant shall be credited to the Municipal Fund.

20. *Provident Fund Ledger and Abstract of Balance.*—A Provident Fund ledger in the following form having a separate page for each depositor's account will be maintained in the municipal office:—

Serial No..... Name..... Appointment.....

Voucher.		Deposits.					Columns for calculation of interest.							
		Remittance to Savings Bank.			Amount

As soon as any sum remitted to the Savings Bank under rule 6 is credited by the Postmaster in the pass book, the portion creditable to each depositor shall be entered in the ledger on the page set apart for his account. When Post Office Five-year Cash Certificates are purchased out of the balance, in the Savings Bank, the proportionate share of each depositor shall be fixed and the amount shall be deducted from the amount against his name in column 9 and entered in column 14 of the ledger, until the Cash Certificate matures or is cashed. The total of column 9 of the ledger will

be proved with the total balance of the pass book monthly by means of an abstract of balances in the following form:—

Add—Provisional increase to contributions under rule 5, fractions left unadjusted at close of the year under rule 21.

Add—Interest on Government and other securities credited into the Post Office but not included in the individual ledger account.

Deduct—Interest on accounts closed during the year under rules 9, 14 and 17.

Deduct—Money invested in Government and other securities (*vide* rule 7).

Deduct—Interest on Government and other securities not credited into the Post Office but included in the individual accounts.

Add—The fraction of a rupee paid from the Fund of the Municipality [*vide* rule 9(4)].

Total in pass book.

21. (1) Calculation of the interest due on each account shall be made at the rate of 2½ per cent. or at such rate as may be allowed at the time by the Post Office Savings Bank per annum for each calendar month on the lowest balance at credit of an account between the closing of the fourth

day and the end of the month. The yearly interest thus calculated on each account shall be entered in column 16 of the abstract of balances prescribed in rule 20. As soon after the 30th of April, as the interest for the previous year is added by the Post Office to the principal of the Fund and the interest on investment through other agencies is drawn by the Chairman and credited in the Savings Bank account [see rule 7(2)], the total yearly interest calculated at the aforesaid rate of 2½ per cent. or at such rate as may be allowed at the time by the Post Office Savings Bank and entered in the depositor's accounts, as shown in column 16 of the said abstract of balances, shall be deducted from the total interest actually received for the year, and this excess interest, together with the gain or loss by the sale of Government securities, if any, during the year [see rule 7(3)] shall be shared by those depositors whose credits in the Provident Fund exceed Rs. 100 in proportion to their balances on the 31st March: Provided that for the purpose of calculating and crediting to each depositor's account his share of the excess interest, the total balance at the depositor's credit shall be taken as the nearest hundred. The interest thus calculated shall be added to the principal in column 9 of the depositor's ledger account (see form in rule 20)..

(2) In the case of the Post Office Five-year Cash Certificates, the total amount received from the Post Office shall be apportioned to each depositor, when the Cash certificate matures or is cashed in the proportion fixed at the time of purchase.

(3) If any payment has to be made during the year on a depositor's account the interest calculated monthly at 2½ per cent. or at such rate as may be allowed at the time by the Post Office Savings Bank on that account shall be added to the principal in column 9 (see form in rule 20), and for his proportionate share in the Post Office Cash Certificate, the amount due as calculated from the figures given at the back of the Cash Certificate shall be added.

(4) The provisional increase to contributions under rule 5 or the temporary advance under sub-rule (4) of rule 9 shall be credited to the municipality as a miscellaneous receipt. If, however, the total of the provisional increase and temporary advance is, or contains, a fraction of a rupee, this fraction of a rupee shall be left in the Savings Bank for adjustment at the close of the following year. When the balances have been thus compared and adjusted, the ledger account of the next year shall be opened.

22. A copy of his ledger account signed by the Vice-Chairman shall be given to each subscriber after the annual comparison and adjustment of balances. Subscribers must satisfy themselves as to the correctness of these accounts, and unless errors in them are brought to the notice of the Vice-Chairman within one month from the date of their receipts, no claim based on such error will be subsequently recognised.

23. *Dead accounts.*—On a depositor leaving the service his account shall be closed and unless the amount at his credit be withdrawn within a certain period, viz., for balances of Rs. 10 and under, one year and for balances over Rs. 10, three years, it shall be written off as a dead account and repaid only under the orders of the Commissioner of the Division. The fact that the account has been closed will not operate as a bar to the interest being credited to the depositor's accounts, *i.e.*, the interest accruing until the amount of deposit is withdrawn for payment to the depositor or his heir, or under rule 24, will be added to the deposit.

24. When accounts become "Dead" they must be removed from the Provident Fund ledger and be credited in the cash book as a Miscellaneous receipt the money being drawn out of the Savings Bank. On an amount being thus written off, it should be entered in a "Dead Account" register, in which subsequent repayments shall be noted in order to avoid a double payment.

25. *Procedure.*—The Chairman of the municipality concerned will endeavour to secure from all depositors on their first joining the Fund the submission of the Form of Declaration prescribed in rule 10. If a depositor desires to revise his declaration he should apply to the Chairman of the municipality for the necessary form. All such declarations still in force shall be carefully recorded in the personal custody of a responsible officer.

3. In sub-section (*4*) of section 1, clauses (*f*) and (*fff*) of section 2, sections 5, 8, 11, 12, 13, 15, 16, 17 and clauses (*ii*) and (*iii*) of section 19A of the principal Act, for the words "factory" "a factory" and "factories" wherever they occur, the words "establishment", "an establishment" and "establishments" respectively shall be substituted.

Amendment of section 19A.

6. In section 19A of the principal Act, for clause (*i*), the following clauses shall be substituted, namely:—

"(*i*) whether an establishment which is a factory, is engaged in any industry specified in Schedule I.

(*ia*) whether any particular establishment is an establishment falling within the class of establishments to which this Act applies by virtue of a notification under clause (*b*) of sub-section (*3*) of section 1.".

STATEMENT OF OBJECTS AND REASONS

The Employees' Provident Funds Act, 1952, applied originally to factories engaged in the six industries specified in Schedule I, namely, cement, cigarettes, electrical, mechanical or general engineering products, iron and steel, paper and textiles. Section 4 of the Act, provided for the extension of the Act to other factories by a notification in the Official Gazette. Of late, there has been a persistent demand for the extension of provident fund benefits to all industrial workers, and the Act has recently been extended to seventeen additional factory industries by notification. Section 4, however, provides for application of the Act to factory industries only. There is no provision in the Act enabling its extension to other establishments like plantations, mines, commercial establishments, etc. It is, therefore, proposed to include an enabling provision in the Act to the effect that, subject to the exemptions provided in section 16, the Act shall apply to any establishment or class of establishments as may be specified by the Central Government by notification in the Official Gazette.

The Bill seeks to provide for this object.

KHANDUBHAI K. DESAI.

NEW DELHI;

The 7th November, 1956.

FINANCIAL MEMORANDUM

The Bill contemplates the extension of the Employees' Provident Funds Act and the Scheme framed thereunder to non-factory industries like plantations, mines, commercial establishments, etc. The cost of administering the Act and the Scheme will mainly be recovered from employers. The Centre's responsibility will be confined to supervision and co-ordination. For this purpose some additional staff may be required in the Central Secretariat. It is not possible to estimate accurately at present the extra staff required for the purpose, but the extra cost on this account is not likely to exceed Rs. 25,000 per annum.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 2 of the Bill amends sub-section 3 of section 1 of the Act relating to its application. The new section empowers the Central Government to bring under the purview of the Act, by notification in the Official Gazette, any establishment or class of establishments, in respect of the employees whereof it is of the opinion that a Provident Fund Scheme should be framed under the Act. The section as it now stands only provides for the extension of the Act to factory industries and so power is being obtained to cover other establishments.

The delegation is of a normal character.

M. N. KAUL, Secy.

26. (1) No self-employed worker shall sell or otherwise dispose of his produce of Beedi or Cigar to any factory owner, dealer or merchant in Beedi or Cigar having the tobacco licence or trade mark of any particular brand of Beedi or Cigar.

(2) Any person contravening this provision shall forfeit his licence for rolling Beedi or Cigar and shall be punishable with fine which may extend to rupees one hundred.

Purchase of Beedi by the principal employer or Trade Mark holder.

27. Any factory owner, merchant, dealer or principal employer in whose name any Beedi or Cigar trade mark is registered shall be punishable with imprisonment for six months, or with a fine of rupees one thousand, or with both in case he or his agent buys Beedi or Cigar from any self-employed worker.

Trying authority.

28. (1) Every Third or Second Class Magistrate shall have powers to try any offence punishable under this Act.

(2) The Inspector of Factories shall be the authorised person to lodge any complaint under the provisions of this Act.

STATEMENT OF OBJECTS AND REASONS

The Beedi and Cigar industries are among the worst sweated industries in India. Low wages, insecurity of employment, partial employment, employment of children, high incidence of T. B., absence of protective labour legislation, outwork and branch system, all these demand introduction of an immediate legislation with a view to regulating the above industries on factory basis and securing the workers certain minimum conditions of work. The Rege Committee Enquiry Report as far back as 1946 has stressed the importance of such a legislation.

This Bill seeks to put the Beedi and Cigar industry on a factory basis while still protecting the self-employed worker.

This Bill also seeks to assure the workers the benefits of protective labour legislation available to large sections of industrial workers.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 3: In addition to the Chief Inspector of Factories and all Factory Inspectors, this clause envisages delegation of powers of inspection of Beedi and Cigar factories to Chairman and Members of Local Boards, Municipalities and Panchayats. This implies that for the purpose of inspection, the officials of the Local Self-Government establishments mentioned above shall be treated on a par with Factory Inspectors, but subordinate to the Chief Inspector of Factories of the States. The State Governments shall have to frame appropriate rules in this matter. This provision is purely of a normal and routine character.

Clause 4 is consequential, but also stipulates that the Secretaries of Labour Unions are intimated in advance of the Inspectors' visit to the factories and empowers such Labour Union Secretaries to accompany the Inspector during the inspection of Beedi and Cigar factories.

Clause 6: Empowers State Governments to appoint certifying surgeons whose duties are stipulated in sub-clause (2) (*a*) and (*b*). This is of routine character.

Clauses 10 *and* 11: Delegate rule making powers to the State Governments regarding stipulation of number of Canteens and recreational facilities in Beedi and Cigar factories. These are of normal and routine character.

Clause 13: Delegates rule making powers to the State Governments in the matter of holidays, compensatory leave and overtime work, subject to conditions laid down in sub-clauses (*a*), (*b*) and (*c*).

All the delegated legislation envisaged in the Bill is of a normal type, and purely routine in character.

for appointment of Indian nationals in Foreign Embassies.

5. The salaries paid to the Indian nationals employed in the Foreign Embassies shall be equal to the salaries paid in the various Secretariats of the Central Government. Salaries.

STATEMENT OF OBJECTS AND REASONS

There are hundreds of Indian nationals employed in various Foreign Embassies, Legations, and High Commissioners' Offices. These employees are recruited from open market. This Bill is intended to achieve that objective.
